

Women in Aviation International Mile High Chapter is hosting the
FAA PORTABLE REDUCED OXYGEN TRAINING ENCLOSURE,
your simulated FL230 hypoxic PROTE flight.

Thursday, Nov. 29 - Sunday, Dec. 2 Fly-in Opp

Your time commitment is just 1.5 hours on any of these days.

8481 Aviator Lane, Englewood, CO
Centennial Airport KAPA

PROTE

- Experience **hypoxia** symptoms while being safely monitored in the PROTE.
- No-cost, valuable **hypoxia** training opportunity for qualified* pilots!
- Determine what your **hypoxia** symptoms are in order to recognize them.
- Important for pilots flying in the **high-altitude** environment.

*BasicMed holders and anyone not meeting the criteria below cannot participate in the experience of oxygen deprivation.

SignUpGenius registration for the PROTE will be open Sept. 4, with **time slots in 1.5-hour increments, and five pilots per time slot.** You'll be able to sign up with your colleagues.

This is a fly-in opportunity. If you have questions regarding airport fly-in procedures, we can help.

* Chamber experience **REQUIRES** current FAA First Class, Second Class, or Third Class Medical. Must be at least 18 yrs old. These will be checked at check-in.

NOTE: This MILE HIGH event is proudly brought to you by the Women in Aviation International MILE HIGH Chapter. Therefore, the first opportunity to choose a time slot will go to each paid WAI member (male or female) who is also a paid Mile High Chapter member.

If you are an organization, please share this highly sought-after event with your members.
The more pilots, the merrier!
