Homecoming 2018

Homecoming 2018

Homecoming 2018 was a resounding success! So great to see all of our amazing alumni (including Wesley Rosenbaum, coming all the way from Australia to join us!), and experience a 65-33 dismantling of Memphis. Thanks to all for coming out, and we can't wait to have you all next year! Moreover, we once again placed 2nd in Homecoming with our pairing of ADPi and Delta Chi. Although we were hoping for 1st, a 2nd place finish is nothing to be down about!

Alpha Alpha Pledge Class 2018

Initiation

On December 6th, the 29 members of the Alpha Alpha Pledge Class were initiated into the Beta Theta Chapter. After excelling through their new member process, we could not be happier to welcome these young men into our great brotherhood! Some of them are already holding prominent positions within our chapter, such as Jake Klingele and Jared Gidley, who will be heading our recruitment process, Kent Studer, who will be heading our Social Committee, Josh Eidson, who will be heading our Philanthropy Committee, and Gavin White, who will be serving as our Service Chair. We're very proud of these guys and are excited for our next pledge class!

Christmas Social

Christmas Social 2018

This December, the Beta Theta Chapter held a Christmas social to celebrate the close of a crazy, fun, exciting year. It was great to enjoy the company of all of our brothers, as well as the girls we all invited, to close out 2018! Of course, you could also view it as a way to forget finals were right around the corner, but we had fun nonetheless! Events like these are great for all the brothers to bond, from 5th years to freshman, and we couldn't be happier to hold them for us and our friends in sororities.

Fall 2018 Graduates

Graduates

This fall we unfortunately had to bid farewell to three brother of Beta Theta due to graduation. These members have been outstanding throughout their years, holding multiple executive positions and living in house for many, many semesters. We will certainly miss them, and are excited to see what they can do in the future. Congratulations Frater Witte, Frater Kretsinger, and Frater Hammer!
