INDUCTION TKE

After a successful summer and fall rush, the beta theta chapter ended up inducting 19 new candidates. This is currently the largest pledge class to be inducted since the founding class. Since this is the first fall rush since we moved into the new house, it is expected that this record won't hold for long. Taking over from recently

elected Pylortes Stephen Burns: Ed McKinley, Thomas Geisinger, and Noah Taborda spearheaded the end of fall rush. Burns ran formal rush during the summer.

"It went really well, we are excited for the future of this fraternity. We are thrilled to induct these new members," said Taborda.

upcoming events

HOMECOMING

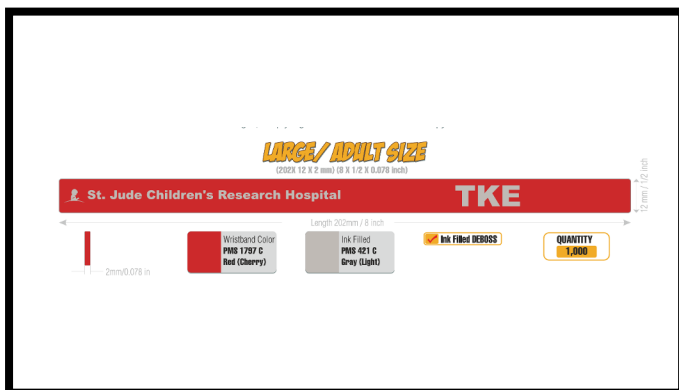

The homecoming festivities for this this year are gearing up and for the Beta Theta chapter that means preparing for the upcoming competition. This year we are paired with the women of Delta Gamma and the men of Lambda Chi Alpha, and since both of their house are currently under construction all practices and building will be taking place at TKE. These events include dance, skit, float, and of course, pomping. Homecoming itself will be October 22nd, there will be a tailgate at the house and all alumni are welcome to attend.

"TKE" HOME A PUPPY

On Saturday October 8th from 10am till 2pm, the Beta Theta Chapter will be holding a service event in conjunction with the Central Missouri Humane Society. Dogs and puppies will be available for adoption. All visitors are welcome, and alumni are encouraged to visit. The flier will be attached at the end of this newsletter

ST. JUDE'S

In order to contribute more to our philanthropy our chapter has started a new fund-raising plan to sell "TKE Loves St.Jude's" bracelets. The bracelets will be sold at 2 dollars a piece and all profits will be donated. The idea was spearheaded by our new philanthropy chair Regan Hill. This is done in conjunction with our spring philanthropy and training for treatment.
