

Beta-Theta Connection

TAU KAPPA EPSILON-UNIVERSITY OF MISSOURI

SEPTEMBER 2017

FALL SEMESTER OFF TO A BANG

New Members Induction

The Beta-Theta chapter of Tau Kappa Epsilon is started off what is sure to be another exciting semester by initiating 19 men as candidates on September 6. The chapter is delighted to help these men through their first semester of college and help them enjoy the Mizzou experience. These 19 men match the number of candidates inducted the previous semester and is one of our largest since rechartering.

Scott McKnight, the recruitment chair for this semester, was delighted with this group of inductees. "I think this is one of our best classes," said McKnight. "These guys seem really driven and I am excited to get to know them more as the semester continues." This was McKnight's first semester as rush chair and he hopes to build off this pledge class for the spring. "I know my job isn't done with this pledge class and I hope we can make this our best year of recruitment yet," McKnight said.

The chapter hopes to aid these men in their mental, moral, and social development for life.

Better Men For A Better World

LOVE, CHARITY AND ESTEEM

Love- Tailgates

It's football season! Here at Beta-Theta we are gearing up for another great season of tailgates. We will be grilling, watching football and having a great time with friends. We couldn't be more excited for Mizzou football to be back on the big stage!

If you find yourself in Columbia on a Saturday and want a place to come tailgate swing on by. We will be up bright and early showing our school pride and cheering on our Tigers! See you there.

MIZ! ZOU!

Charity-ΔΔΔ Triple Play

This semester we will be participating in the Tri Delta Triple Play philanthropy. All proceeds will go toward St. Jude Children's Research Hospital. With this being our philanthropy as well, we feel incredibly motivated to help this outstanding cause.

This baseball themed event will take place Sunday September 17 and the Beta-theta Chapter will be sending 12 men to the event. These men will look to represent our fraternity as well as possible by winning this event and helping support this worthy cause.

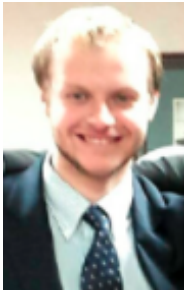

Esteem-Homecoming

With another year comes another Homecoming. This year we are paired with the men of Alpha Gamma Sigma and the women of Alpha Delta Pi. Coming off of a 2nd place finish in the previous Greek Week, our chapter is delighted to begin what should be another fruitful experience. With a tradition like Mizzou's homecoming we hope to contribute to the community and enrich campus life.

With such a strong pairing we feel confident of our chances to win. To another fruitful homecoming!
