Alpha Alpha Pledge Class (Fall 2018)

Welcome the Alpha Alpha Pledge Class!

On September 17th, the Alpha Alpha Pledge Class was formally inducted into the Beta Theta Chapter. We were able to recruit and induct 30 young men eager to join the brotherhood of Beta Theta, and they are already showing great promise for the future of our chapter. Per usual, the majority of these gentlemen are from Kansas City, St. Louis, or Chicago, but there are a few from the likes of Wisconsin, Minnesota, and Colorado. We can't wait for you all to meet the future of our chapter!

Dad's Weekend 2018

Dad's Weekend

On the weekend of September 8th, we had our annual Dad's Weekend, bringing together dad and son to enjoy the weekend tailgating and hanging out at the new house. We kicked off the weekend with some pretty murky weather, but the dad's and us were more than willing to brave the elements and enjoy a great gameday. Mizzou went on to beat Wyoming to the tune of a 40-13 whooping, so a great day that ended in a Mizzou win! Dad's were also able to enjoy the new house at a brunch Sunday morning, where they stuck around and played some ping pong and pool in the basement with the guys. Always a fun experience when the dad's come into town!

Philanthropy Events Fall 2018

Fall Philanthropy Events

This Fall, the Beta Theta chapter is looking to participate in quite a few sorority philanthropy events benefitting many charitable institutions, including Girls on the Run, which helps to encourage pre-teen girls to develop self-respect and healthy lifestyles through dynamic, interactive lessons and running games, Cedar Creek Therapeutic Riding Center, which is a horseback riding facility for those with emotional, physical, or mental disabilities, and Service for Sight, which supports the five schools founded by Delta Gammas for the visually impaired and other North American organizations that promote sight preservation and conservation. We are always happy to support charitable causes, and love playing in these events as well! This past weekend, we played in the Gamma Phi Beta Moonball Volleyball Tournament, losing to the men of Phi Gamma Delta. Even though we didn't take home a win, it was nice to get out there and support.

Homecoming Pairing 2018

Homecoming Pairing

Homecoming 2018 is here, and we are looking to get first after many, many 2nd place finishes. We were thrilled to find out that we are once again paired with the women of Alpha Delta Pi, as well as the men of Delta Chi. We feel this pairing is a great combination of three house eager to get a first place finish after many close calls in the past. Pumping and fling have already been started and are well on their way, and we couldn't be happier about the group thus far. More information on this to come!

Homecoming Weekend Events

Homecoming/10 Year Anniversary

In 26 days, our Homecoming Weekend will officially start up! Schedule of activities is listed above. Feel free to message me with any questions and I will try my best to answer them! We are expecting to have a larger crowd here that weekend, so space in the house will be limited to only rooms. We have an open four man suite available on the third floor of the house, which will be \$75 a night and will go to the highest bidder. We are also working on trying to get dinner at the house on Friday night, so more on that later. Also, if possible, please email RSVP so we can try to get a count of who is coming. We can't wait to see you all and show you around the new stomping grounds!
