

Next task for all WASPI campaigners -

Please try and complete this by 10 September 2016

Personal Files at DWP. It would be useful to know what DWP holds on your personal file. We would like all WASPI campaigners to ask for this information. It's an online request - no letter writing this time. It takes up to 40 days to get a reply.

To ask for a copy of the personal information DWP holds about you, please use the DWP <https://www.gov.uk/government/publications/dwp-request-for-personal-information> form.

Requests for personal information are sometimes called 'subject access requests'. DWP will not charge you for this service. It doesn't matter if you didn't get time to start a complaint, you can do this, as part of our campaign

Go online for an English or Welsh version, to

<https://www.gov.uk/government/publications/dwp-request-for-personal-information>

Help a WASPI

If you have a WASPI friend with little/no access to the Internet, try and double your impact by helping her apply too.

Make a note

- The DWP expect to provide the information within 40 days so make a note of your date of application
 - Try and keep a copy of your application

The DWP publishes a document about the service you should receive - it's here

<https://www.gov.uk/government/organisations/department-for-work-pensions/about/personal-information-charter>

Remember - Try and get this done by 10 September, but if you don't achieve that, soon afterwards!
