

OPEN AIR STUDIO WEEKEND IN HEALESVILLE

PROGRAM OUTLINE

The aim of the weekend is to allow artists an opportunity to create their works in direct relation with nature and to allow an exchange of ideas and experiences with other artists.

Depending on the number of artists who express their interest in attending the *Open Air Studio Weekend* and their particular background, there is an opportunity to create sub-groups based on particular techniques and forms.

Artists might also be interested in workshops on location ie painting, ceramics, sculpture, photography, mosaics etc...

We anticipate that artists will form themselves into groups and collaborate accordingly. Naturally there will be plenty of room for evening discussion and relaxation.

Artists will need to consider **what materials and tools to bring** to enable them to create, share and learn from each other.

We are looking forward to hosting you all and enjoying what promises to be a creative weekend.
