

Warsaw off Art 2019 festival will take place in Warsaw 20 to 22.09.

The range of initiatives include: light installations, films, strong performance, electric sculpture and even art inspired by termite work.

You will also be able to see painting beyond the ancient patterns and traditions, where wind, water, fire and earth shape an artistic vision.

"Art has no rules" is the main slogan of this year's festival.

This time Warsaw off Art will host not only the creators of Warsaw, but also artists from Gdansk, Krakow, Gdynia, Łódź, Katowice and Bydgoszcz. There will also be a guest from Australia (Melbourne).

The opening of this year's edition of Warsaw off Art will take place on 20.09 at 19.00 at the Bohema Gallery.

From 21 to 22.09 we invite you to visit many interesting places, including: Studio of Warsaw artists, designated art zones and collective exhibitions.
