Michele Hendrickson is the East
Coast Director of Students for Life.
She brings the unique experience of being an elementary school teacher to the pro-life movement. She is a graduate of Hood College in Frederick, MD who majored in Elementary

and Special Education. Working with children and teaching for over 10 years has provided Michele with amazing opportunities to partner with families. After volunteering in the pro-life movement, she felt a heavy burden for the families whose relationships were destroyed by abortion. She is dedicated to educating and empowering women to understand the truth about abortion. Michele helps student groups and regional coordinators bring the pro-life message to their campuses and beyond. She lives in Maryland with her husband and two children: Joel, 5, and Lucy, 2. Michele is also the Regional Coordinator for schools in Maryland, Delaware, and Washington, D.C.

"Small by Design, Powerful in Spirit"

3989 Buckeystown Pike, P.O. Box 909, Buckeystown, MD 301.662.4210 • www.saintjohnsprep.org

"If abortion is not wrong, then nothing is wrong. It is more than a singular or separate wrong—it is the source of all wrong. To kill the small, the weak, the sick, the dependent, the defenseless violates all that our people's faith and our nation's history tells us is right. If we can choose between one human being's right to life and another human being's life style and give death to one and absolute power to the other, then how can we ever again claim to be what Lincoln called us: the last, best hope of earth."

Bob Morrison

"The pro-life movement is not primarily a response to Roe vs Wade. It is a response to Jesus Christ."

Fr. Frank Pavone

Thank you, Frederick County Right To Life, for all you have done and continue to do to protect unborn babies.

St. John's Council 1622 112 East Second Street Frederick, MD 21701

"We must not be surprised when we hear of murders, of killings, of wars, of hatred. If a mother can kill her own child, what is left but for us to kill each other."

"Abortion kills twice. It kills the body of the baby and it kills the conscience of the mother.

Abortion is profoundly anti-women. Three-quarters of its victims are women: Half the babies and all the mothers."

~ Saint Mother Theresa of Calcutta ~

For the Conversion of Abortionists!

Saint Michael, the Archangel, defend us in battle, be our protection against the wickedness and snares of the devil. May God rebuke him we humbly pray; and do thou, O Prince of the Heavenly host, by the power of God, cast into hell Satan and all the evil spirits who prowl about the world seeking the ruin of souls. Amen.

St. John's Council 1622 requests that you support and refer at-risk women to **Care Net of Frederick**, the only ultrasound equipped Pro-Life Pregnancy Care Center in Frederick County.

Ultrasounds save on average two babies a week from abortion!
