

ADC Manufacturing[®]
solutions in stamping, casting & coating

Leading The Way Since 1968

When it comes to fencing accessories, the perfect fit matters. ADC Manufacturing has over 4 decades of experience engineering and manufacturing products of consistent quality and providing customers exceptional service with competitive pricing. Whether you're looking for galvanized, aluminum or powder coated fittings and accessories, ADC has you covered. We carry fittings for chain link, wood and ornamental fencing projects and we are proud to manufacture many of these items right here in the USA. So when you're looking for that perfect fit, remember at ADC – Together We Fit.

ADC MANUFACTURING

TERMS & CONDITIONS

- All new customers will be shipped upon receipt of either credit card information or wire transfer until credit is established.
- Prices are F.O.B. Harrison, AR.
- Payment terms are net 30 days from date of invoice and no payment discount is allowed on freight charges.
- A service charge may be assessed on any unpaid balance equal to the lesser of 18% annum or the maximum rate allowed by law when an account becomes past due.
- All shortages or damages must be declared on the Bill of Lading, at the time of delivery, by the common carrier and the notation must be witnessed by and signed by the driver. All claims must be filed within 15 days.
- All returns must be authorized and an RGA must be requested and assigned by ADC before any credit or refund is issued. Returns must be returned freight prepaid.
- All goods manufactured and distributed by ADC are made of the best quality materials. If any defect in our product is caused by the manufacturing process, ADC will replace that product, after a determination of the defect, is confirmed.
- All fittings meet or exceed ASTM F626-13 specifications where applicable.
- All prices are subject to change without prior notification.
