(You are highly encouraged to secure your instrument from one of our local music stores (listed on the back of this paper). If you choose to search online for the "bigger, better, deal", please stick to the above listed brands and models. Just so you know, our music stores are in close communication with our band program to support our community and provide the quality instruments and accessories that your child deserves. They can also help in many other ways!)

This is an exciting time for our community and we are so proud to have your child lead the way in the Charger Band! If you have any questions, comments, or concerns, please contact me.

Sincerely,
