Record the number of minutes you practiced each day and use the chart below to determine your weekly practice grade:

| Minutes | Grade |
|----------------------------|------------|
| 100+ | 105 |
| 100 | 100 |
| 1 point per minute. | |

Students who practice improve and are successful. Practice reports help you to organize your practice and receive credit for your hard work. The directors can tell how well and how often you practice by how well you play each day. Remember, honesty is what you do when people are watching. Integrity is what you do when people are not. Demonstrate integrity when completing your practice report.
