**Thank you, students and parents, for your commitment to the Charger Band program. This tour continues a tradition of providing inspiring musical performances and will give elementary students an opportunity to see what they can look forward to in "The Heartbeat of Fulshear"!**

*\* Since bus transportation is unavailable until 8:30 each day (they are on their morning routes), we kindly ask that parents provide transportation to the first school each day. Students may certainly walk to the elementary school if it is in your neighborhood. Buses will be provided for the rest of each tour day.      Thank you , and sorry for any inconvenience.*
