

Fulshear Charger Band

Disney World – March 8- 13, 2019

Chaperone Requirements

During the Disneyworld trip this year we will need eight (8) parent chaperones to accompany the students and staff on the trip. The cost to each chaperone will be approximately \$600, half the student cost. Along with the willingness and ability to pay the \$600, we will determine which parents will chaperone through the number of service hours devoted to the Fulshear Charger Band and Color Guard from June 9 through October 31, 2018. Parents with the most volunteer hours will have the opportunity to accept first. In the case of a tie, we will use the previous school years' service hours, 2017-2018, as a tie breaker. Parents will be notified by November 15, 2018 if they are selected as chaperones. To narrow the chaperone pool to only those who are interested, we ask that you submit the form below to indicate your interest in chaperoning the Disneyworld trip.
