- _____ Band T-Shirt Form (\$10 included). This is your concert uniform.

Knowledge (on back)

- _____ Do you Know your Notes and Rests?
- _____ The Musical Staff?

Performance

Articulation

Only begin articulating after consistently sustaining a Concert F# on the mouthpiece and barrel.

Set your embouchure and place the tip of the tongue on the top of the tip of the reed. Blow fast air and move your tongue down off the reed. Continue blowing fast air across the reed to the back of the mouthpiece. Think of saying "THEEH" (as in Thesis) or "DEE".

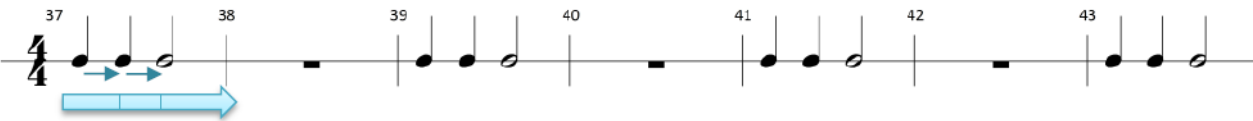

Blow the tongue from the tip of the reed at the beginning of each whole note

4. 

Play through and between the notes so there is no empty space between the notes

5. 

Don't stop blowing between notes

6. 

Keep your embouchure firm and chin flat to maintain Concert F# pitch

7.
