

# Key Signatures

When reading flat key signatures, find the second to last flat to identify the key.

*Flat Key Signatures will always appear in this order:*

*Bb, Eb, Ab, Db, Gb, Cb, Fb*

\_\_\_\_\_ What key am I in?

\_\_\_\_\_ What key am I in?

\_\_\_\_\_ What key am I in?

\_\_\_\_\_ What key am I in?

\_\_\_\_\_ What key am I in?

\_\_\_\_\_ What key am I in?

When reading sharp key signatures, find the last sharp and go up one step to identify the key.

**Sharp Key Signatures will always appear in this order:**

**F#, C#, G#, D#, A#, E#, B#**
