French Horn

Welcome to the Charger Band: “the Heartbeat of Fulshear”!

We are thrilled to have you with us!

- Instrument is provided by LCISD

In addition to the instrument, your child will need the following accessories to support their musical development and to clean and maintain their instrument.

- Mouthpiece: Stork C8
- Mouthpiece Pouch
- Hetman Rotor Oil
- Horn Care Kit (slide grease, mouthpiece brush)
- Music Stand
- Korg Metronome & Tuner (OR if your child has a smart device, they may instead, download the following apps: “MetroTimer” (free) & “Tonal Energy” (\$3.99))

It is best to secure your instrument and materials over the summer months. Whenever and however you decide to pursue this, we ask that you **please have your instrument and all materials by Tuesday, September 3rd.**

(You are highly encouraged to secure your instrument from one of our local music stores (listed on the back of this paper). If you choose to search online for the “bigger, better, deal”, please stick to the above listed brands and models. Just so you know, our music stores are in close communication with our band program to support our community and provide the quality instruments and accessories that your child deserves. They can also help in many other ways!)

This is an exciting time for our community and we are so proud to have your child lead the way in the Charger Band! If you have any questions, comments, or concerns, please contact me.

Sincerely,

Amy Bennett
