Frequently Asked Questions:

▶ What is Summer Band?

Summer Band will start on July 30th and runs Monday-Friday. We will start to work on all of the music and marching that students will need the first week of school. Will always be the first Monday of the week containing August 1st.

▶ Is Marching Band year round?

NO!!!! *Marching season will end the first week in November at the latest, excluding playoff football games. Every Saturday in October (BAND-tober) will be a marching contest. October=Band Playoffs.*

FAQ The Sequel:

▶ Does everyone get to be in the Marching Band?

***YES!!!** Every student gets a uniform, goes to games, attends contests, plays in the stands, etc. We do have alternate marchers for our contest show but **EVERY** student who attends all rehearsals will have a chance to perform.*

▶ What about sports?

***WE LOVE OUR COACHES!** We have the best most cooperative coaches in LCISD. We work very hard to make band available to every student on our campus. We schedule our rehearsals to maximize participation and success of **ALL** our students!*

- ▶ **My student is concerned about the workload of HS.**

*We expect band students will be LEADERS in the classroom. Most of our CHARGER BAND is in **at least** 1 PreAP/AP course. Grades are HIGHER in the Fall! Most of the band makes all As/Bs. Rehearsal Schedule and Power Hour.*

HS Marching Bands

To be a member of the Marching Band, the student must be enrolled in the proper band class.

- **Competitive Marching Band.** The student agrees to attend summer rehearsals whenever possible (exceptions through director approval). Each member must meet all financial obligations and must attend all rehearsals and performances (contests and football games).
- **Alternate Status.** These students must meet all requirements of the competitive Marching Band. These students will rehearse and perform with the group in noncompetitive settings, possibly earning a permanent spot at any time when deemed appropriate by the directors. Alternates are considered full- fledged members of the Marching Band. Alternates are expected to attend all rehearsals as per the rehearsal rules and regulations. Alternates will travel on all trips with the Marching Band.

Concert Bands

To be a member of one of the spring concert bands or percussion class, the student must be enrolled in the proper band class, and meet all financial obligations. Each student must comply with all rules and regulations for that particular organization. The student agrees to attend all after-school rehearsals, sectionals, and performances. (Exceptions are approved in advance by director only). Each member must be in good standing within the band program.

Winter Guard

The Winter Guard is a select group with membership through audition only. Each student must comply with all rules and regulations and be enrolled in the class for that particular organization. The student agrees to attend all after-school rehearsals, sectionals, and performances (Exceptions are approved in advance by director only). Each member must meet all financial obligations and be in good standing within the band program.

Any student who drops out of any of these organizations during the school year will be required to drop that specific class as soon as the administration deems possible. Any student who drops out will not be allowed to rejoin unless approved by the band staff.

Attendance and Participation

- Attendance at all games and events is mandatory. This includes but is not limited to practices, performances, competitions, pep rallies and fundraising activities.
- Planned absences to a game/event/practice/etc. should be requested in writing at least 48 hours in advance. Campus directors will determine if it will be excused. Inappropriate notification will result in disciplinary action.
- Students who are ill should notify the director as soon as possible.
- All marching band members are required to attend summer practices.

Selection of Officers

The band will select drum majors and student leadership positions each year. These students will be sophomores, juniors or seniors during their term, and are selected through an audition process that includes evaluation by a panel of judges. Students are evaluated on marching, playing, conducting, interviews, past leadership, and student confidence.

INDIVIDUAL MEMBERSHIP REQUIREMENTS

Lamar Consolidated ISD provides excellent support for the band program. However, there are expenses beyond the scope of the bands' budget. These expenses are the responsibility of the individual members and the booster organization. Fund-raising events are scheduled throughout the year to help each student offset these costs. Those who need to make special arrangements will need to speak with the directors on an individual basis.

No one will be denied participation because of financial hardship as long as steps are being taken to fulfill the obligations. We would like to encourage all our parents to be an **ACTIVE** member of the Band Boosters.

FINANCIAL ASSISTANCE

Students and parents who have financial difficulties will need to speak to the director. Payment plans will be available to ensure that ALL STUDENTS who wish to participate in the Band program will be given the opportunity to do so.

BAND TRIPS & EXPENSES

The high school band will be taking an out-of-state trip once every four years. Other in-state trips are possible, and will be announced as the opportunities arise (for example—a holiday parade). Junior high bands may also travel within the state as opportunities arise. Students are financially responsible for any trip they wish to participate in. All band trips are meant to be educational, as well as, meant to provide the band with competitive venues. Students are not obligated to participate in these trips, but are highly encouraged.

BAND STAFF

Paid professionals and technical assistants are a vital part of the band program. Without their help the Band would not be able to achieve the standard to which we aspire. They must have the respect of all students and parents. Staff members are chosen by the directors and are directly responsible to their director. Students should give these staff members the same respect they would give any member of the band faculty. Any problems should be brought directly to the directors; do not confront a staff member directly.
