

DIRECTIONS TO UNITY MAKERS WORKSHOP

Our workshop is located on Ngong Road opposite Ngong Racecourse. Coming from town, pass the racecourse entrance on your left, continue about 150m. Turn right onto a small dirt road at the sign for ACK or Interweave crafts, just before Munleo Hardware. Go 100m down the road, turn left after the small orange flat and you will find our workshop. Our building is a large unmarked stone building with a gray door.
