"ABOUT TOWN"

Make it a great day for Stanhope

Thursday 12th November will be part of Stanhope history.

It is the day you are invited to take part in celebrations to mark Stanhope being declared the Legendairy Capital of Australia 2015.

In addition to being declared the Legendairy Capital, Stanhope was awarded \$10,000.00 towards the installation of a playground at the Stanhope recreation reserve.

Since the announcement in September the local organising group of Kerrie Gray, Andrew Hipwell and the Stanhope & District Development Committee, have been working closely with Dairy Australia to collaborate a celebration, which will be reflective of Stanhope's community spirit.

The day to celebrate Stanhope's achievements will commence at 11.00am and conclude at 2:30pm. The celebration, at the Stanhope recreation reserve, will be a marvellous opportunity to showcase the Stanhope community, so the organising group is offering all Stanhope businesses and organisations the opportunity to have a stall at the event. The stall will enable you to promote your business/organisation.

Fundraising for the playground is continuing, as the organising group is eager to install a playground that meets the requirements of the recreation reserve. They are offering the opportunity to purchase a brick, or becoming a major sponsor of the playground. (See advertisement).

To register your interest or for further information, please contact Andrew Hipwell (04528 180 700) Kerrie Gray (0409 526 892) or Glenda Cowie (0438 572 452).

Please be there to celebrate this great event.

Development Committee Sets an Example

President of the Stanhope & District Development Committee, Glenda Cowie, presents Andrew Hipwell with a cheque for \$1,000.00 towards the playground at the recreation reserve.

Introduction of Fire Restrictions

Fire Restrictions for the Campaspe Shire were introduced on Friday the 30th of October.

There will not be any permits issued for burning after this date until the end of the Fire danger Period.

The City of Greater Shepparton introduced their restrictions on Monday the 26th of October. Permits for burning grass will be issued for 2 weeks (8/11/2015).

Please note that the boundary between the Shires is McEwen Road. So if you see smoke to the East it may be a permitted burn, but that does not entitle anyone to light up on the West side of McEwen Road.

Please ensure that you have developed Fire plans for this coming Fire Season, and give thought to how they will be implemented.

From Stanhope to Liberia

Kevin and Judy Sutton travelled to Liberia, in June this year, to visit their daughter Nikki, who is the Project Manager at the Liberia Renaissance Education Complex (LREC). This is a tuition-free public school, privately funded by the Swiss based Liberia Renaissance Foundation. The idea is that talented students can access a first-class education, no matter what their background.

Liberia, located along the Western coast of Africa, is a very poor country and recently experienced the additional problems of an Ebola virus outbreak. Thankfully, this is now over. Conditions are overcrowded, jobs are scarce and housing is poor for much of the population, who generally don't have access to electricity or running water. However, the bright colours, heat, torrential rain and the friendliness of the people left lasting impressions with both Kevin and Judy. Other lasting memories were of the students proudly singing the national anthem each morning and the singsong flow of English, as spoken by the Liberians.

As volunteers, Kevin and Judy stayed in the guest house, which has running water, toilets and electricity supplied by a generator. Sleeping at night was greatly helped by the air-conditioning. They helped in the classroom and on building and construction projects. Kevin found it hard going at times, working in hot and humid conditions on building projects and repairs. He and Judy also spent time on intensive reading experiences with two students. Judy visited a variety of classes from Prep to Grade 9 and had lots of fun with the younger students. She found that kids are the same, no matter where you are. It was a very rewarding experience. If anyone would like to visit the school as a volunteer you can check out this web site www.goabroad.com/ and look for 'Volunteer with Our School Liberia'.

Nikki has been working at the school for the past 3 years. Together with the school community she is endeavouring to grow the school from the current Prep – Year 9 to Kindergarten-Year 12. To do that they need to build three new classrooms for the senior high, so that each grade level has their own learning space. She has organised a fundraising program called “Want to help Tete hate algebra?” through You caring Compassionate Crowd funding. www.youcaring.com/ If you feel like donating, no donation is too big or too small. (Note donations are in US dollars).

Fonterra welcomes next step in global partnership with Beingmate

Fonterra Co-operative Group Limited welcomes the formal approval by the Board of Beingmate Baby and Child Food Company Ltd to establish a joint venture to purchase the Co-operative's Darnum plant in Australia – another milestone in the companies' global partnership.

Chief Executive Theo Spierings said China is a key strategic market for Fonterra, and the global partnership with Beingmate provides significant growth potential for both companies.

“The partnership will create a fully integrated global supply chain from the farm gate direct to China's consumers, using Fonterra's milk pools and manufacturing sites in New Zealand, Australia, and Europe.

“By working with Beingmate, we are creating additional demand for ingredients and high-value paediatric and maternal nutrition products made from our New Zealand milk, complemented by milk drawn from other international milk pools.

“The Beingmate Board's approval is a further important step in our partnership. It is also

another milestone in our strategy to increase the volume and value of products we export to China. “The Australian joint venture will manufacture nutritional powders, including infant formula and other nutritional milk powders, at Darnum in Victoria, for Fonterra and Beingmate and other customers,” said Mr Spierings.

Beingmate will own 51 per cent of the joint venture and Fonterra will retain a 49 per cent stake, and run the plant operation.

“Our partnership with Beingmate is already strengthening the presence of our Annum infant formula brand. Distribution through Beingmate is underway, with the first shipments landed in China in June.

“Beingmate has an extensive distribution and sales network with significant growth potential and the company continues to pursue a leading position in the China infant formula market,” said Mr Spierings.

The Beingmate Board's approval of the joint venture will now be put to a vote of Beingmate shareholders at an EGM on November 16th.

In August 2014, Fonterra and Beingmate announced that they intended to form a global partnership to help meet China's growing demand for infant formula. In March this year Fonterra acquired 18.8 per cent of Beingmate.

Happy Birthday to Glenda Cowie, a real winner with her birthday on Melbourne Cup Day.

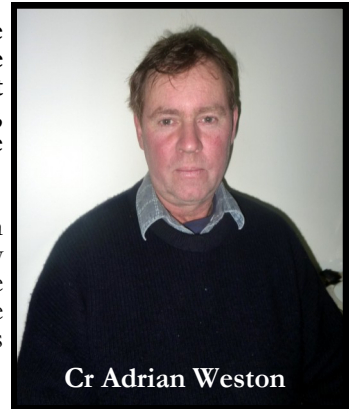

Happy 60th Birthday to Ruth Green, well known Honorary Stanhope identity. All the best from all the Stanhope residents.

Rushworth saves Stanhope from Dust Problem

It would appear Stanhope has been spared the problem of extensive dust problems within the town, following actions of irate Rushworth residents.

A number of Rushworth streets were upgraded by having white, Mt Scobie gravel spread along the edges of the streets causing great clouds of dust to penetrate homes, cause problems with solar panels, as well as causing health problems for older residents and those with breathing problems.

Cr Adrian Weston

It is believed both Stanhope and Kyabram streets were to receive similar treatment, but swift action by local residents and councillor Adrian Weston halted the proposed upgrade until it is further discussed by council.

Public Meeting

A public meeting is to be held at the Rushworth Shire Hall to discuss this matter and the actions of the Council on Thursday November 5th at 7.30 pm. Everyone is welcome.

Stanhope Lions Club Monster Auction

The Stanhope Lions Club held their annual Monster auction on the 4th of October 2015. The goods were booked in on Saturday the 3rd, some 720 lots, included machinery, furniture, kitchen and household goods, tools and many other sundries.

The auction started at 10.00am, a general summary of the auction: Approximately 600 lots were sold, a profit of approximately \$3000.00 was made including the kitchen \$600.00, donations, approximately \$800. 121 buyers registered, 35 vendors, some from as far as Bendigo.

Many thanks to auctioneer Phil Serra and all the other volunteers who helped out in the office as well as other duties, helping in the kitchen and generally helping Lions club members to get the job done.

As a small club we need all the help we can get to do our work helping different Lions projects as well as many local community projects. The club made around \$7,000.00 donations in the last year.

J's of Stanhope is expanding their Milk Shake Flavour range. Come in a sample a new flavour every day, or make up your own flavour and have it named after you.

Girgarre-Stanhope Rail Trail Opening

Friday the 6th November at 11.30 am the first two stages of the Rail Trail will be officially opened. All members of the Community are invited to attend the ceremony on the platform of the old railway station and this will be followed by a light lunch in the Memorial Hall.

A dedicated band of Committee Members and community volunteers have generously given their time and expertise along with providing much needed equipment to complete a range of tasks. This group of volunteers has been supported once a month by a Department of Justice work team to assist with the maintenance of the Reserve and Trail and have worked under the very capable direction of John Warde. The project has also received generous donations from local families and businesses in the form of cash and materials to assist with the restoration of the Ganger's shed, and the pathway. Thank you to everyone for this support which has greatly assisted the completion of the two stages.

The restoration of the shed and the railway platform now provide an interesting and historical focus point in the Reserve which is officially known as Progress Park.

It is envisaged that this pathway will also compliment the highly anticipated Gargarro Botanical Garden.

Final Top Ten Stanhope Footballers

The final instalment in Stanhope’s top ten footballers instigated by local legend “Yabby” Nelson concludes with a few very brave locals putting pen to paper and putting forward their list of what they believe to be the top ten footballers, they have seen pull on the maroon & gold jumper.

A special thanks to those who have come forward with a list and after much consideration it has been decided to keep the names of the submissions anonymous, and once again a big thanks to “Yabby” for making this piece of history happen.

Stanhope Tennis Club

Competition commenced in October and we have four junior teams playing in the Kyabram District Tennis Association on Saturday mornings (Sections 2b, 3, 4 & 5), two senior teams, Premier 2 combined with Dhurringile, and Goulburn Murray section 2, in the Goulburn Murray Lawn Tennis Association, and two midweek teams playing Tuesday afternoons. This has created a great vibe around the club with the courts being regularly used. We will provide updates on the progress in this newsletter throughout the season.

Our Friday night “Hit and Giggle” has already created a lot of interest with approximately 20 people taking to the courts in each of our first two weeks from 16th October. This night is open to both members and non-members who wish to show off their tennis ability without the pressure of committing each week to a competition. Entries are taken on the night at the grass courts from 6pm with doubles matches starting from 6.15pm. At the conclusion, we congratulate the winners each week with the club putting on a small feed for all players. Please come along and support this great night. For further information, please contact Fleur on 0432 379509, or Stephen on 0487398982.

We also have a presence on Facebook, so please like us to check out our regular updates.

Remembrance Day

The Stanhope RSL Sub Branch in conjunction with the Stanhope Primary School will be holding a Remembrance Day Service on Wednesday the 11th of November 2015 starting at 10.50am sharp at the Memorial Gates to the Stanhope Primary School.

Remembrance Day is a nationally recognized day of commemoration when we pause for one minute’s silence at 11.00am to remember the servicemen and women who gave their lives in both world wars, and peace-operations conflicts.

All parents, students, past students and members of the public are cordially invited to attend.

The wearing of service medals is encouraged.

The Stanhope Remembrance Service will consist of the Ode, the Last Post, one minute silence will be observed, followed by Reveille and flag raising. Wreaths can then be laid at the Memorial Gates.

After this short service the gathering will then move into the schools sheltered area, this is a seated area where the service will continue, with a guest speaker and students taking a part in the service, it will conclude with the singing of the National Anthem. After the service everyone is welcome to stay back for a chat and enjoy a free BBQ lunch.

Bank Celebrates 9th Birthday

During October the Stanhope Service Centre of the Rushworth Bendigo Community Bank celebrated its 9th year of operation at the Stanhope Business Centre.

The Bank, another successful project of the Stanhope & District Development Committee, has given an excellent service to the Stanhope community during that time.

However, for the bank to maintain and increase its services, it requires the full support of the community. Drop in and have a chat to the friendly staff between 11.00am and 3.00pm any Monday, Thursday or Friday.

Steven's Antics

Aren't we famous?
Yep, it's marvellous that this home town of mine is really on the map, as **LEGENDAIRY capital of Australia.**

You know I'm as much a member of this community as anyone else, cos I help to make Stanhope well known. I know cos when people visit here they say "Where's that famous cockatoo, Steven"?

Anyhow, I hear there is to be a big day up at the footy ground on Thursday the 12th and EVERYONE is invited. If that's so, then I must be invited. I don't care if I'm not, you just watch, I'm definitely going this time, not like when all those people were at the new fire station and I didn't get an invite. I'm still upset about that.

I'm going to be at the footy ground on the 12th starting at 11 o'clock, no matter what, so keep your eye out for me. You know, I don't usually like big crowds, but this day is different, I wouldn't miss it for quids. Everyone will be celebrating and there will be some very important people there, so I'll just have to be there. I just hope someone will remember to bring along some food for me. I'm sure there will be plenty of food for everyone and lots of other goodies as well. If you want a hint, then I'm very fond of sunflower seeds - I'm not supposed to eat them, but who cares, this will be a big day, so don't miss it - be there.

The photo is not the best, but you get the picture, there I am sitting on the flagpole with the Legendairy Flag.

Local Gardens on Display

A number of gardens in the Stanhope, Rushworth and Girgarre areas were open for viewing over the weekend of 24/25th of October.

The "Bonshaw" Homestead near Stanhope

On Saturday 24th gardens at Corop, Stanhope and Rushworth were open and were visited by numerous locals and visitors to the area. A highlight was the chance to see the development of a beautiful garden at "Bonshaw" near Stanhope. Bernie Ryan who recently purchased Bonshaw has done a marvellous job with the garden and surrounds, which were appreciated by those who had the opportunity to visit this property for the first time.

Another garden of interest, not seen by many in the past, was that of the Furphy family "Sandhills" near Corop. This garden featured a huge expanse of lawn, together with some rather historic trees and a number of water features.

Other gardens, in and close to Rushworth, were also of great interest to those who visited them because of the variation between the gardens on display.

On Sunday gardens around Stanhope and Girgarre were open for inspection. "Bonshaw" at Stanhope was again open. Another large garden was that of Val and Keith Maudsley. The gardens of Avis Weller and Robyna Varcoe at Girgarre were also open. All deserved high praise.

However, don't leave it to just a few hard working volunteers, come along to the AGM and offer your assistance and or ideas. They will be very much appreciated. Guest speaker on the night will be Jason Russell, chief executive officer, Shire of Campaspe.
