# "ABOUT TOWN"

## Stanhope Primary School to Celebrate 100 years

At a recent meeting of interested Stanhope residents, it was decided to prepare for the holding of a celebration to mark the centenary of the Stanhope Primary School in October next year, 2016.

A small committee was formed and they will work together with the school's parent group as a working committee. Many others at the meeting showed interest in providing support and assistance in making this celebration a major event for Stanhope.

### Yes – You can Help

It is a fair way off until October next year, but you all know how time flies when you are trying to organize a large event. To make this celebration one of the largest events in Stanhope for many, many years, your help is needed – NOW

### How can you help?

By writing on a piece of paper the names of former pupils and staff, their contact details, eg. Name and Present Address, Phone Number and Email Address also (This would be a great help) Place your information in an envelope and mark it "School Info" and drop it into the Stanhope Business Centre (if closed, put it through the letter flap in the door). Better still, if you can email your information to [stanhope.ps@edumail.vic.gov.au](mailto:stanhope.ps@edumail.vic.gov.au) that would be much appreciated.

## Auskick Mums take to the Field

**On Thursday 28th May our mothers donned their footy colours and took to the field to conduct our Auskick session.**

The mums put the kids through many different drills, which tested all their various skills and abilities, and would have left some of our best AFL coaches in awe.

After the session the mums sat down in the social rooms and enjoyed a delicious meal kindly prepared by Carol Nurse with some help from some of the dads who were looking rather dapper in their bow ties.

The night was a great success and once again shows through hard work by our parents, football/netball club and the Stanhope Community, why our junior football and netball programs are continuing to grow and attract much attention from the broader community.

## “Stanhope’s “Shaque-A-Taque” re opens

*Belinda and Ken at the opening of  
“Shaque-A-Attack”.*

Following the disastrous fire which destroyed the original “Shaque-A-Attack” (formerly Hepples Emporium) just prior to Christmas 2013, the new building was officially opened on 2nd May, before a large interested group of locals and visitors.

Ken Harrison and his business partner, Belinda Sharples, have worked tirelessly since the fire to rebuild their business in a new building, which bears no resemblance, externally, to the former building which was destroyed in the fire.

Guest speakers, Cr Adrian Weston on behalf of the Campaspe Shire, Bob Holschier (Stanhope Community) and Kevin Livingstone (Bendigo Community Bank) all heaped praise on both Ken and Belinda for their determination and hard work in restoring their business and bringing back to Stanhope a major attraction which should attract visitors from wide and far.

The internal area of the building includes a number of small spaces, (named after some of the original Stanhope businesses) which have been made available to local handy persons to display their wares. It also includes many displays and water features, similar to those in the previous building. Most of these features have been designed and built by Ken and Belinda.

They are now carrying out further work to develop a Wine Bar and small Conference Centre. Further work on the external area will provide facilities for some old fashioned games, including Quoits and Hop Scotch.

Ken and Belinda invite anyone to drop in and inspect their business in Birdwood Avenue and discuss their plans for future development.

## Biggest Morning Tea

*Dale-Maree addressing the well attended  
morning tea*

**The Stanhope senior Citizens held a very successful “Biggest Morning Tea” last week, raising \$418.00 for cancer research**

Guest speaker for the morning was Dale-Maree Florence from Kyabram Community Health Cancer Screening Project who was very pleased to have the opportunity to speak at Stanhope’s Biggest Morning Tea.

She explained to those present the importance of being proactive with our health and utilising available screening methods for Bowel, Breast and Cervical Cancers. Her project will run until mid 2016 and during this time she hopes to continue to engage with community members and receive valuable feedback and ideas.

Overall the Project hopes to develop strategies to increase participation in Mammograms, Pap Tests and the National Bowel Cancer Screening Program. If anyone would like any further information Dale-Maree can be contacted on 58570321 or [DMFlorence@kyhealth.org.au](mailto:DMFlorence@kyhealth.org.au)

## Dr Townsend Commences Practice in Stanhope

Dr Nicole Townsend commenced practise  
in Stanhope on Tuesday 5th May

**Dr Nicole Townsend on her first day  
at Stanhope**

Dr Townsend, from Bendigo, will be seeing patients at Stanhope every Tuesday. She will be working through the Kyabram Regional Clinic on that day, but will be working with a Bendigo clinic on other days, where she has been practicing for the past five years.

Dr Townsend is married to husband Mick, who is a carpenter. They have two daughters Lily 13 and Ella 10. She is very much a country girl, growing up on a farm at Casterton in the western district and attending the Casterton High School before going to Melbourne, where she was involved in the IT industry for more than 12 years.

She then moved to Adelaide, where she took the opportunity to study medicine, a life long dream of hers. After graduating, she and her family moved to Bendigo, where she took up a position with the Bendigo clinic.

Being a country person she is very easy to talk to and is extremely keen to meet people from the local district when she is at Stanhope every Tuesday.

To make an appointment to see Dr Townsend it is necessary to phone the Kyabram Regional Clinic on 5852 1888.

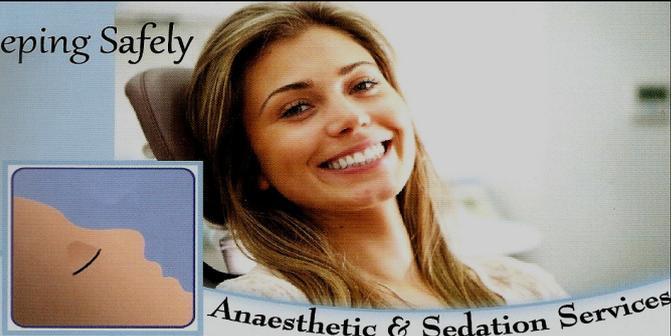

## Letter to the Editor Dear Editor

Victorians will be surprised to hear that Daniel Andrews' Youth Affairs Minister doesn't think that youth unemployment is her problem. The Minister refused to answer questions in parliament this week on the grounds it was a "macro-economic question" and had nothing to do with her youth portfolio. Try telling that to the thousands of young people who are looking for work. It's astounding that the Minister for Youth Affairs is trying to wipe her hands of a critical issue involving our young people. Back in Opposition, Daniel Andrews used to treat youth unemployment as a youth affairs issue. But not now.

Once again, we see Daniel Andrews and his Labor mates saying one thing before the election and doing another thing after. Young Victorians deserve better.

Regards,  
Steph Ryan  
Deputy Leader of The Nationals  
Shadow Minister for Training, Skills, Apprenticeships

### Sleeping Safely

Anaesthetic & Sedation Services

## Would you like to sleep through your treatment? We Can Help

A Specialist Anaesthetist will care for you at your clinic, and will ensure that you sleep through your treatment comfortably and safely.

Having sleep dentistry at your own clinic has many benefits, which include:

- Your own dentist conducts your treatment
- You avoid the risk and cost of a general anaesthetic
- You will be comfortable and unaware of your dental treatment
- Complex treatment can be undertaken in one session

**All the equipment expected in a hospital is provided as standard.**

Watering system fixed ?

You know, for some time I have been a bit worried about our little park, McEwen Place, in the middle of the town. It's a place I hang out at a lot, cos there are often visitors there having a cuppa and they often give me something to eat. They are always amazed I'm such a friendly bird.

Well, for some time I have noticed the watering system keeps working almost every night and the grass grows so much my mate Mark is flat out trying to keep it cut nice and short, especially on the verge where he can't really operate his big mower very well.

So the other day when a plumber turned up to fix it, I thought i had better keep an eye on him and make sure he was doing it properly. He was a nice bloke cos he also gave me something to eat, while I sat on his truck and watched him do the job. So now I hope it works OK, cos I might get the blame if it doesn't.

### SchoolMate App

The Department of Education and Training has released an App which is designed to help you better understand the curriculum we use to teach your children every day.

The App, called **SchoolMate**, is available for free download now in the App Store for iPhones and iPads and in Google Play for Android phones and tablets.

SchoolMate gives you a general overview of the Victorian curriculum in each subject at each year level and:

- ◆ Provides you with an overview of what your children are learning in each subject at each year level according to the Victorian curriculum (AusVELS)
- ◆ Provides you with tips regarding activities and things you can do at home to help your kids in each subject and year level
- ◆ Suggests apps, books, events and activities related to each subject area and year level.

Our school, like all other government schools in Victoria, uses AusVELS as the basis for the learning programs we run at school every day.

Our teachers adapt the curriculum to meet the needs of our students and community, for example, designing learning programs around what your children are interested in, or around days or celebrations that are important to our community. SchoolMate is designed to give you an overview of what children are expected to learn in Victorian government schools across every subject from Prep to Year 10.

I encourage you to download SchoolMate and to please talk with your teacher or myself if you are interested to find out more about how our school teaches the curriculum.

## STANHOPE RAINFALL

Very Dry Autumn

With only 11mls of rain recorded during May the Autumn break is yet to come.

Overall this Autumn Stanhope has received only 47mls for the 3 months. The wettest May on Record was in 1963 with 136mls and the driest was in 1934 when no rain fell

## Projects commence at Whroo Cemetery

Following the granting of permits, the Whroo Cemetery Trust has moved quickly, before wet weather commences, to prevent further water being able to cascade across the cemetery, which for many years has eroded graves, pathways and undermined headstones. To prevent any further damage the Trust arranged with Parks Victoria to provide a drain and build a small levy bank on the high side of the cemetery to prevent the entry of water into the cemetery from the adjoining hillside.

With the cooperation of the recently appointed Ranger Team Leader from the Bendigo office of Parks Victoria, Mathew Sobey, a grader was brought on to the site recently and carried out the necessary work.

### A small grant received.

A small grant has been received by the Trust from the Division of Cemeteries and Crematoria to further upgrade the pathways in the cemetery. This will involve the spreading of gravel where the paths have been eroded over the years.

Trust Chairman, Bob Holschier, said the Trust was delighted with the close cooperation of Parks Victoria and receiving the grant, so we can now continue the work of upgrading the cemetery.

### Local gravel required

Mr Holschier said the Trust would like to hear from anyone who may be able to supply a load of local Rushworth gravel for the pathways.

"We do not want to use bluestone or white gravel, as neither of these gravels fit in with the heritage style of the cemetery", he said.

## STANHOPE POLICE NEWS

Is the Stanhope Police Station closed or closing

**NO**

I am currently working as per directions from command due to the current security alerts. I will be at Stanhope at every available opportunity. The house is all but finished and the position of Officer-In-Charge of the Stanhope Police Station has been advertised and the applications closed as of 4.00pm on the 28/05/2015.

A decision will be made in due course as to who will be the Officer-In-Charge.

### ***Just a small Reminder***

Do not Drink and Drive.

Information has been received that some may be testing the water.

Please note there will be no further warnings issued for this offence.

### ***Farm Thefts***

There have been a number of thefts around the district in recent times.

I would ask that victims contact Police at the very first opportunity.

Also if persons are seen acting suspiciously let me know, do not think you are wasting my time.

## MEN'S SHED

Stanhope & District Men's Shed meet monthly and have been busy of late. We have over 40 members at present. Vests have been purchased to wear when out and about in the community for safety and to highlight the shed. At the June Monster Garage Sale, members will be having a sale at the shed in Tivey Grove, just a short walk down the lane between J's and Shaque A Taque. There are lots of interesting items for sale which are surplus to requirements, machinery, drums, timber and furniture. Take a peek.

Hearing tests and hearing aid maintenance are being conducted in early June by Australian Hearing from Shepparton. Men's Health Week on 15th June features a guest speaker from *beyondblue*, Tim Richardson. The day includes a BBQ lunch and afternoon tea. See notice in this paper.

Feel free to pop into the shed any Monday, Wednesday or Friday morning and see what the shed is all about. The kettle is always boiling, courtesy of a marvellous grant from FRRR.

## STAYING ON TOP OF THINGS

This is the theme for Men's Health Week in Stanhope. Tim Richardson, a volunteer speaker from *beyondblue*, will share his journey of hope, recovery and resilience in the face of depression and anxiety. He will briefly cover what *beyondblue* does and how the audience can seek help or support a friend or family member who may find themselves in a difficult position.

Monday 15th June is the first day of Men's Health Week and you are invited to a BBQ lunch from 11.30am at the Men's Shed, 3 Tivey Grove, Stanhope to be followed by our guest speaker Tim Richardson after which afternoon tea will be enjoyed. Please RSVP to 5857 2501 or 5857 2415 for catering purposes.
