# "ABOUT TOWN"

September, 2016

"Australia's LEGENDAIRY Capital 2015"

## STANHOPE AMENITIES BLOCK AND ART SPACE ALMOST COMPLETE

**Following more than 10 years of negotiating with Vic Track and the Shire of Campaspe, together with many hours of planning, discussions and meetings between the local committee and the shire, the project has eventually reached its final stages with the structural completion of the new Toilet Facility and Art Space.**

The official opening of the project will be held on Saturday October 15th, which is the weekend of the Stanhope Primary School 100 year celebrations. More details will be in the next "About Town". Although the building is completed, the toilet facility is unable to be used until the opening weekend, as the sewerage has not been connected by Goulburn Valley Water.

The town should be very proud of what has been constructed. A very modern and contemporary style building which should attract many visitors to our town. With 2 very spacious unisex and disability compliant toilets, complete with hand basins, hand dryers and baby change tables as well as 2 spacious display areas for the public to promote local arts, crafts and local events, along with ample seating which will be complimented by the very attractive colourful landscaping to complete the project.

To complete the Stanhope Hub, Stage 3 project, there will be an upgrade of Birdwood Avenue as well. New tables and chairs will be installed, as well as new larger modern style rubbish bins and bike racks. Following the removal of the ugly garden beds in Watson lane, they will be replaced by concrete paving and a backing wall to block off each end of the lanes. There are plans to paint and brighten up the 3 planter boxes and have them replanted with colourful flowers to brighten up the main street.

There has been many reports of disappointment of what the council has deleted from the original concept the Stanhope community had for the new amenities block.

However, there needs to be a focus on the positives for the town as a whole. This project can only improve the towns image.

**Fonterra Update**

Construction of Stanhope's new state-of-the-art cheese plant, is well underway. The A\$120 million investment has seen 15-metre concrete panels installed to form the walls of the new plant, with the roof and stainless steel equipment soon to follow.

Delivery of the cheese vats took place in late August. Each vat has a capacity of 30,000 litres and is used to manufacture and cut the cheese curd. This will ultimately help to produce 45,000 tonnes of cheese each year, destined for the Australian domestic and export markets.

In other news, we welcome Monash University student, Bradley Serry back to Fonterra. Locals will remember Bradley as one of three students who met with the Stanhope community in December 2015 when the students were working on a concept for a large mural to be installed on the wall of the new cheese facility.

Bradley will be assisting Fonterra to deliver this project and is likely to reach out once again to local residents and businesses.

## Stanhope & District Men's Shed Inc.

**A**nnual General Meeting will be held on Wednesday 28<sup>th</sup> September 2016 at 7pm at the shed in Tivey Grove Stanhope.

Please come along and see what has been happening at the shed. All welcome. Supper after meeting.

## Our Pool is safe..

### For now

Firstly we would like to thank those who showed their support to "SAVE OUR POOL" by taking the time to sign the petition or complete a Submission form regarding the possible closure of our pool. These petitions and Submission forms were handed directly to Council along with a proposed Business Plan to keep our pool OPEN and run by the community.

After many months of discussions our local Councillors met on the evening of Tuesday 16<sup>th</sup> August to hear the views of many concerned people in regards to keeping the Stanhope, Colbinabbin, Tongala and Lockington pools open.

After much debate the council has voted to keep all 4 pools OPEN for a maximum of 3 years, subject to budget constraints and providing we can come up with a "Community Place Based Plan" to keep our pools operating efficiently. If the towns people do not come up with individual plans to suit the needs of their own pools during this period, then the pools **WILL BE CLOSED**.

As we have previously produced a proposed Business Plan to the Shire, we as a group along with help and support from the Stanhope Community and Business, are hoping that we can work together with the Shire to keep our pool open and have it operating more effectively.

You can keep up to date with news regarding our pool through local newspapers or by Liking our **Facebook Page - "Stanhope Pool"** or the **"Save Campaspe Pools" Facebook page**. Any ideas or issues concerning the pool can be raised with the head of the group Jason Keegan at Keegan Nurseries or on mobile 0417 213 482.

Alternatively you can email the pool at [stanhopecommunityaquaticcentre@outlook.com](mailto:stanhopecommunityaquaticcentre@outlook.com).

## Playground almost complete

There has been plenty of activity at the playground at the Recreation Reserve recently with the laying of the concrete around the entire playground.

With very generous donations from Kyabram Club, Boral Kyabram, Mawsons Lake Cooper Quarry, David Coyle Transport, WDS Building Services plus the concreting expertise of Rhett Cooke, Chris Marland and Sebastian Larin along with an army of local volunteers the whole area is looking great, and it is a credit to all involved with the project being the result of Stanhope becoming the Legendairy Capital of Australia. Shortly the plaques with the names of all the donors will be laid.

## Stanhope Tennis Club

The AGM was held last month and the following people were elected to the executive positions:

Fleur Nurse President  
Tara Hall Vice-President  
Helen Lavery Secretary  
Stephen Browne Treasurer

We would like people to register their interest in playing tennis before the end of September as senior and junior teams will need to be submitted before commencement in mid October.

We will be holding Junior Registration at the courts on Friday 16th September from 2.30pm for all existing and new junior players. For further information regarding senior and junior tennis, please contact Fleur on 0432 379509, or Stephen on 04873 98982.

We also have a presence on  Facebook, so please like us to check out our regular updates.

## Centenary of WW1 and Soldier Settlement Girgarre. VALE Sydney, 2500

Enlisted Richmond Victoria on 21/8/1914 and departed just 2 months later for Egypt with the 10th Australian Army Supply Company. Served in Egypt, Gallipoli and France. At the conclusion of the war married wife Annie in London, and in 1919 arrived at Stanhope North (Girgarre) after being allocated a Soldier Settlement block.

Like most of his neighbours Syd struggled to meet his commitments and in 1928 obtained permission from the Commission to transfer to a block in the Mallee. Being unsuccessful in securing a satisfactory block they soon returned to Girgarre however, and were then granted a portion of the property Allotment 77a previously held by Bill Dickman on Curr Road, where he established a poultry farm. Annie passed away at Girgarre in 1939. Syd was much respected in the Girgarre community and involved in a number of district organisations.

In WW2 Syd enlisted at Tatura on 12/6/1940, serving with the 17th Garrison Battalion at the internment camps at Tatura. He died of a heart attack on 12/8/1943 at No. 1 camp.

This summary is one of the many Girgarre Soldier Settler stories along with family contributions and Girgarre history that will be in the forthcoming book titled "Girgarre" to be launched on 12th November 2016 and available for purchase for \$30. Enquiries and early orders to [girgarrehistory@gmail.com](mailto:girgarrehistory@gmail.com), Jenny Wadelton 5852 2301 or Athol McDonald 5854 6211.

## **The Legendairy Capital**

The “Legendairy Capital Cup” was a super day of football and netball.

A great footy and netball day was had by all recently when Stanhope played host to close neighbours Girgarre with the senior sides fighting it out for the honour of holding the “Legendairy Capital Cup” for 2016, in a tightly contested game of footy played in very heavy and muddy conditions.

It was Stanhope that managed to kick the last goal of the game just before the final siren to snatch a 2 point win 9-7-61 to 8-11-59. Alec Young was awarded the “Legendairy Medal” by the umpires as best player on the ground.

At half time of the senior game, the Auskick kids had a game and were cheered on by a very supportive crowd. After the senior game the SGR under 10’s enjoyed a game of footy against Mooroopna with both sides showing great potential.

Kevin Sheedy was a very popular spectator on the day as he mingled amongst the crowd and happily lined up for photos with many of his fans. It was also great to see many local farmers attend the day and they were treated to plenty of refreshments in the large marquee and also the footy rooms throughout the day.

The footy day was organised by Stanhope Football Netball Club Andrew Hipwell and Brent Sloan together with Stanhope Health and Stanhope & District Development Committee who obtained funding through the “Look over the Farm Gate” program and the Shire of Campaspe. Thanks to local businesses and funding organisations for the many giveaways provided. It was a great day.

It was great to see so many local farmers attend the day and enjoy the luncheon, refreshments and many giveaways provided by local businesses and funding organisations.

Thank you to everyone involved.

## **The Beautification of Stanhope Hub**

One of the new modern bins installed in Stanhope as part of the beautification of the Stanhope hub. The photo also shows the cleared laneway beside J’s Cafe. The large planter boxes in the laneway on both sides of Birdwood Avenue have been removed and a low wall and paving will replace them.

## **Friends of the Hostel -**

### **Waranga House Rushworth**

The Friends welcomed two new office bearers at the recent Annual Meeting where Dr Mary Jo Fortuna OAM, was guest speaker.

Vicki Schade accepted the nomination of president, while Sue Sheers is the new secretary. Thelma Wootton Jones retained her position as treasurer.

Retiring President Shirley Jacobson and Secretary Floss Holschier are grateful for all the support they received over their many years of service to the Hostel.

This will be a new era for the committee and the community is urged to support the Friends in their provision of comforts and necessities for the thirty two residents of the Hostel.

The current project being undertaken is the provision of new, age – appropriate, Lounge Room Furniture. Residents and others are already collecting silver coins towards this effort.

The Friends meet on the third Monday of each month at 1.30 pm. and new members are most welcome.

Incidentally the Hostel will celebrate its twentieth birthday in January 2017 - an ongoing success story and a date to remember.

## **Girgarre & Stanhope Landcare**

On Wednesday 24th August the Girgarre and Stanhope Landcare held their AGM after 10 years in recession

After much discussion the committee from 10 years ago was re-elected President Anne Bell Secretary Craig Tuhan Treasurer Eleanor Cockroft.

The main aim of this group is to help with the rail trail and walking tracks and also tree planting projects. If you are interested in becoming involved please contact Eleanor on 04736 39135.

## **John & Margaret West – 65<sup>th</sup> Wedding Anniversary**

John and Margaret West of Brudenell Street Stanhope and former long term residents of Girgarre will be celebrating their 65th wedding anniversary on Thursday 8th September.

Family and friends gathered recently for an evening meal at the Stanhope Hotel and the following Sunday a crowd of family and friends once again came together to celebrate this happy occasion. Congratulations on a wonderful achievement.

## **Letter to the Editor**

In the past 18 months there have been too many cases of Victorian farmers battling red tape and planning laws threatening to unfairly drive them off their property and out of business.

Victoria's agricultural industries are a major source of economic growth for our state, but Labor is dragging its feet on promised right to farm reforms, leaving our farmers with no certainty to plan for their future.

At the last sitting of parliament, Agriculture Minister Jaala Pulford could not explain a nine-month delay to these reforms.

Ms Pulford claimed the Government was committed to 'working through the issue quickly', but 37 recommendations handed to the Andrews Labor Government several months ago by the Investigating Animal Industries Advisory Committee remain secret.

It is not good enough that this Melbourne-centric Labor Government has left farmers in the lurch.

Daniel Andrews, Jaala Pulford and Labor must deliver on their promise to Victorian farmers, who are important contributors to Victoria's economy.

Yours sincerely,  
*Peter Walsh* Leader of The Nationals Shadow Minister for  
*Agriculture and Water*

## Let's talk about ICE Kyabram

After two successful ICE forums held in the two communities of Tongala and Stanhope, Kyabram District Health Service (KDHS) has continued its commitment in raising the awareness of ICE.

Many families who attended the ICE forum in either Stanhope or Tongala reported that they learnt more about the rehabilitation pathway and how to deal with a family member or someone they know who is an ICE user. With such positive feedback Kyabram will now have an opportunity to learn more about this drug.

KDHS health Promotion Coordinator, Danae Rush said "We felt it was important for Kyabram to have an opportunity to learn more about ICE". She continued to say "The forums will also inform the community about what ICE is, how it affects individuals and their families, discuss legal aspects and hear from an individual who has recovered from ICE".

"The forum is recommended for secondary student age and onwards". There will be professionals on the night to discuss any concerns people may have" Danae said.

Community members interested in learning more about ICE and the services available to support addicts and their families should come along to the forum. The forum will be held on Tuesday 6th of September at the Kyabram Football club (Wilf Cox rooms) from 7.30pm-9.00pm. "There is no need to register for the forum, just come along" Danae Rush said.

For further information about the event please contact Danae Rush on 5857 0200.

## "Crack the Ice Code"

The biggest dilemma when discovering that someone is using ICE is not knowing where to turn either get support for them or yourself.

Not knowing can leave you feeling helpless and guilty about not knowing where to turn to. There are a number of different places that you can call to get help and support. Government organizations offer free counselling, there is a small cost to attend most Detox and Rehabilitation centers.

If the user is asking for help or you need support for yourself call the following numbers:

**ACSO 1300 022 760** will organize an assessment and referral into treatment for users

**Direct line 1800 888 236** (24hr helpline) will offer over the phone counselling and refer into treatment for both family members and users

**Family drug help 1300 660 068** for immediate and ongoing support

**Echuca Regional Health 54 855 864** for counselling and referral

**Remember if at any time you are feeling unsafe please call 000**

There was some interested from the forum about setting up a support group for families who have been experiencing an effect of the ICE problem.

Please call Jenni 04477 734 775 if you are interested in starting a support group.

**Jenni also offers private counselling.**

## Walking Group

It's so easy to become a member – just call into Stanhope Health or ring on 5857 0451 to receive a registration form. Your walking calendar will be posted to you. Simply fill it out & drop it into Stanhope Health at the end of each month.

## Stanhope Rainfall

Another good month for farmers.

Stanhope recorded 56.6 mls for August, making it another month with slightly above average rainfall.

The average for August is 50 mls. The wettest year was in 1958 when Stanhope recorded 136 mls and the driest was in 2002 when only 5.6 mls fell.

## Healthy Living

Australia is currently facing a chronic disease crisis: almost half of the national population has a chronic disease, and almost 40% of over 45 year olds have two or more.

Many of these diseases such as type 2 diabetes, certain cancers, obesity and cardio-vascular disease can be avoided by adopting a healthier lifestyle and making positive health changes. Education, via workplace wellbeing programs, is now recognised as a key strategy in improving health and preventing chronic disease.

- ◆ Nearly 70% of Australian adults are either sedentary or have low levels of physical activity.
- ◆ According to Cancer Council Australia, up to one third of all cancers could be linked to a poor diet, inactivity and an unhealthy body weight.

**A great service for readers.**  
For people who are unable to  
access the Stanhope Library, Books on Wheels  
is a great free service.

A volunteer will deliver books of your choice or will  
select books for you. This free service is provided  
by the Stanhope Business Centre and the Shire of  
Campaspe. For inquiries phone the Business  
Centre on **5857 2866** between 11.00am and  
3.00pm Monday to Friday.
