

Turning waste into renewable energy and creating jobs

John Bourke's "Waranga Green Energy" receives \$1 million grant. The Andrews Labor Government has confirmed the first group of successful recipients of its \$20 million *New Energy Jobs Fund* grants.

While making the announcement of the grant at John Bourke's piggery last week the Minister for Energy, Environment and Climate Change Lily D'Ambrosio said, "We're proud to be supporting a bio-energy project which works to minimise emissions, maximise energy efficiency and create local jobs."

Waranga Green Energy will receive \$1 million to fund a self-sustaining mixed agriculture bio-energy project – which will construct a bio-digester that can process up to 200 tonnes per day of agricultural waste to generate renewable heat and power.

The power and heat produced will then be available to power the adjacent piggery, as well as heat a co-located horticultural greenhouse operation with the excess CO₂ used to enhance horticultural growth.

As part of this project high quality organic fertilizer will also be produced for sale.

Located at Stanhope, the bio-energy plant has been designed to minimise greenhouse gases, maximise energy efficiency and remove waste disposal constraints which are currently preventing expansion of the piggery. The project represents a significant investment for the region, with more than 30 local jobs expected to be generated and a project value of \$31 million.

It's one of 24 grants which will be announced in the coming months, with Waranga Green Energy obtaining funding under the technology category. The fund is a key component of the \$200 million Future Industries Fund to support high growth, high value industries, such as the new energy technologies sector that are critical to securing Victoria's future.

John Bourke explains the project while the Minister looks on.

Fonterra Update

As reported last month, Monash University student Bradley Serry is back working with Fonterra on the Stanhope Arts Mural. Bradley is developing the project plan that will set out the steps for completing this exciting initiative including how we secure more than 3,000 photographs that will eventually comprise the mural that will go on the outside of the new cheese plant.

Some of you may recall the concept that we shared earlier this year.

We want the mural to tell the story of Stanhope as a northern Victorian dairy town - the Legendairy capital of Australia – and represent some the things that make you proud about your town and its contribution to the dairy industry.

Bradley will be in Stanhope late November / early December to meet with local residents and take you through a proposal to get you involved with the project. For those who may want to get snapping early (given it is Spring) don't let us hold you back – **just make sure your photos are a minimum of 1,000 pixels wide.**

Toilet Block & Art Space Opening

At an Onsite Meeting at the Amenities Block & Art Space last month, the committee raised several issues, which were required to finalise the project.

- Men's shed to make a 'Stanhope' sign made out of horseshoes, curving along the back wall.
- A round Table and Seating to be installed in front of curved back wall (Men's shed to make).
- A long Bench Seat to go along the Length of Slated Wall outside Toilet Block (Men's shed to make).
- Lawn to be planted the front and side of site.
- Install a Native Garden & Mulch area in front of curved path.
- Blue Metal Path leading from Art Space to be redone in Concrete.
- A concrete path to be installed from Bus Stop over to main concrete path leading to Art Space.
- Planting of colourful flowers in planter pots in main street and painting of each pot.
- Reattach seating to planter pots.
- The bin from the Hall to be moved to in front of the Stanhope Café.
- Keep the old tables and chairs from the main street and repaint them to go over in lawn area at Toilet Block (Men's shed to do).

Due to the wet weather there has been a hold up with in installation of the new lawn and garden as well as the finishing of the footpath at the Toilet site. Hopefully it dries out enough before the 15th October so that the footpath can be finished, but it is very unlikely to get the lawn in. The new seating for the main street should be installed before Saturday 15th which will be situated in the new paved area in the laneways as well as a back slatted wall to enclose the area off.

Looking forward seeing a good attendance at the Opening on Saturday 15th October at 11am. Anyone wishing to attend the Reception at the Senior Citizens at 11.30am, can they please RSVP to Lyn Emmett on 0472 757 2629 for catering purposes.

Local government elections Campaspe Shire Council

Cr Adrian Weston – Re elected unopposed in the Waranga Ward.

Sixteen candidates are standing for the Campaspe Shire elections in the five wards.

Nominations have closed, with the three single-representation wards uncontested, being Cr Leigh Wilson (Rochester Ward), Cr Leanne Pentreath (Western Ward) and Cr Adrian Weston (Waranga Ward). There will be no voting in these three wards.

The remaining two wards have a number of candidates for the three positions. The Echuca Ward has eight candidates - in ballot order, Paul Jarman, Thomas Weyrich, Annie Vickers, Kristen Munro, Eric Grumont, Peter Williams, Rohan Burgess and Daniel Mackrell.

The Kyabram Deakin Ward has five candidates - in ballot order, Neil Pankhurst, Vicki Neele, John Zobec, Russell Longuehaye-Hooper and Neil Repacholi. Three councillors have decided not to re-stand, Cr Carol Howell (Kyabram Deakin Ward), Cr Ian Maddison (Echuca Ward) and Cr Emma Bradbury (Echuca Ward).

The Victorian Electoral Commission (VEC) is conducting the elections. Ballot packs will be sent out for the Echuca Ward and Kyabram Deakin Ward between 4-6 October. Completed ballot material must be in the mail or hand-delivered to the VEC at 22 Sturt Street, Echuca by 6pm on Friday, 21 October. Due to longer delivery times through Australia Post, it is important to get completed ballot material returned as soon as possible.

The election will be declared by the VEC on Monday, 31 October. The new council will be sworn in at a special meeting on Tuesday, 8th November. More information is available on the VEC website at <https://www.vec.vic.gov.au/CampaspeElection/> or by contacting the Returning Officer, Wayne Park, on 1300 594 541.

Help Develop Stanhope

A great opportunity exists for members of the Stanhope community to assist in the future development of the Stanhope area.

Next week, on Wednesday 9th November at 7.30 pm the Stanhope & District Development Committee is holding its Annual General Meeting at the Stanhope Business Centre.

The Development Committee was first formed in 2002. Since then the committee has achieved many very successful outcomes for Stanhope including, the establishment of, and the day to day management of the Stanhope Business Centre (SBC).

The SBC includes the Bendigo Community Bank, the Municipal library, access to the Department of Human Services and a number of other services. Amongst other successful projects was the establishment of the Stanhope & District Men's Shed, the monthly "Monster Garage sale", the publishing of the monthly newsletter "About Town" and many other projects.

Don't just say "They should be doing this or that" come along to the meeting and be part of "Doing this or that" with this hardworking committee.

Award night for Stanhope Brigade

On the evening of the Saturday October 1st Stanhope Fire Brigade held its first Presentation and awards dinner at the new Fire Station. Brigade members and families along with Adrian Weston (Campaspe Shire), Steph Ryan (State National party deputy Leader) and the acting CFA Chief Officer Steve Warrington were present to congratulate award recipients.

Steve presented both Ian and Malcolm Douglas with 35year service awards, Rob Armstrong, Norm Cheong and Bruce Spencer were presented with CFA Life Membership awards for their hard work and long serving commitment and dedication to the CFA and broader community.

Peter Dent presented Sue Robinson with a 10 year service award for the Stanhope Lady's Auxiliary. Peter also presented very special and meaningful awards to Rob Armstrong and Malcolm Douglas in the form of Brigade Life Membership. These two extraordinary members now join a small group of highly committed and long serving Stanhope Brigade members.

Steve Warrington had the great honour of presenting two National Medals on the night. A National Medal is awarded to people who have given long and diligent service not only to the CFA but to the local communities that they live in. These two deserving and very surprised members were Captain Peter Dent and Secretary Gerard Lucardie.

Stanhope Cricket Club Welcomes English Recruits

The Stanhope Cricket Club welcomes two young men from the United Kingdom, Nick Bulcok (Bully) and Bailey Worcester (Bails), who will be playing for the club for the duration of this season. Nick is a Spin Bowler/All Rounder and Bailey is a Batsman/Wicket Keeper. Both players are from Leeds in Yorkshire, England.

Nick 19, a fantastic spin bowler is looking forward to playing cricket for Stanhope alongside his best mate Bailey. Nick has represented Yorkshire through the age-groups and was part of the Durham Cricket Academy Development Squad in 2014. In 2015 he finished 2nd in the league bowling with an average (40 wickets @12), who can also bat in the middle-lower order.

Bailey also 19, is a wicket-keeper batsman. He currently holds the record for being the youngest player to represent the 1st Eleven at the age of 12. Bailey has just finished school and blasted 860 at 78 and is currently a member of the Yorkshire Under 19 squad which is one of the strongest county underage groups set up in the UK.

Stanhope also welcomes Michael Coad (Captain/Coach), Tim Wilhelm and Mitch Younger all from Mooroopna. Under the guidance of Michael, the Club looks forward to a very successful year on and off the field. Training will be held each Tuesday and Thursday nights at the Stanhope Recreation Reserve at 5.30pm. Any new interested players who would like to join the club this season can contact Craig Emmett 0409 014 854.

Dangers of Potting Mix

The dangers of using potting mix cannot be overstated.

Precautions should always be taken not to inhale the dust in potting mix or compost. Legionella longbeachae is a type of bacteria which can be inhaled when using potting mix and can cause lung infection or pneumonia.

It is recommended not to shake the potting mix, but to make a small hole in the bag and moisten the contents and then open at arm's length. Ideally a face mask and gloves should be worn and hands washed carefully afterwards.

The health warnings are on the bag, but perhaps a reminder about the danger posed is handy as it is easy to become blasé about this readily available product. A number of people in Australia have died from this infection.

At the Girgarre Football Netball Club presentation evening held recently the Girgarre RSL sponsored the Under 15 and Under 17 junior netball award winners for the past season. Girgarre RSL President Laurie Young was unavailable to be present on the night but RSL representatives John Crilly and George Weeks had much pleasure in presenting the Best and Fairest Awards. The Girgarre RSL also recently sponsored the SGR Giants (Stanhope Girgarre Rushworth) under 12 junior footballers with all players receiving medallions.

Stanhope Rainfall Wettest Month of Year

Stanhope received 92 mls of rain for the month of September, making it the wettest month of the year so far.

The average rainfall for the month of September in Stanhope is 40.2 mls, less than half of the 2016 rainfall.

Car Fire in Stanhope

On the morning of Wednesday 21st September, members of the Stanhope Fire Brigade were alerted to a car fire in Brudenell Street, Stanhope around 5.10am.

Upon arrival the crew in the first appliance noticed that the vehicle was parked in the driveway of the property and was fully involved with fire, threatening another vehicle that was parked in front and also threatening the house.

An attack crew quickly worked their way to the front of the burning vehicle, extinguishing the flames while also cooling and protecting all other exposures.

The fire was extinguished and contained to only one vehicle with minor heat damage caused to the second vehicle.

The quick turnout and aggressive fire attack from the Stanhope crew stopped, what could have been a major fire.

Stanhope Fire Brigade is 100% Voluntary.

If you are interested in joining, we meet at the Fire Station on the Midland Highway every Sunday morning at 9.00am, and every 3rd Monday night of the month at 7.30pm.

J's Home Delivery Service up and running

Jack and Jayne of J's Cafe, launched their pick-up and home delivery service recently. With food delivery services from Kyabram being rather expensive, a local service is not only welcome but is also proving to be very popular.

The quality home-style meals J's Cafe is well known for, can now be had at home. The menu is considerable and the chef can accommodate special dietary needs if asked, as everything is prepared fresh for each order.

Pick-up and home delivery service is available Tuesday through Sunday, from 5.30pm.

J's Cafe can be reached on ☎ 5857 2599.

Lauderdale-Stanhope Primary School Centenary Celebrations

Well, it's almost here. everything is in place for a great weekend on 14th, 15th and 16th October, for past and present students and teachers.

It's still not too late to be contacting anyone you may remember. The committee has been receiving phone calls and sending out flyers almost every day.

On Saturday 15th

the school will be open all day with lots of memorabilia on display. The Men's Shed, SES, Lion's Club and Junior Footy are ready to supply you all with some tucker at lunchtime. That evening the dinner will be held at the Stanhope Community Hall. Pre-dinner nibbles and two course meal, from 6.00 pm, \$35.00 per head. BYO Drinks (alcohol permitted).

Limited tickets are still available for the dinner. To book and pay for tickets online, go to <https://www.outix.net/tickets/event/28602>

Anyone unable to attend the dinner is most welcome to come along from 8.30pm onwards until finish.

Sunday 16th

No official plans but the hall will be open again from 9.30 am onwards for a chance to catch up with anyone you missed on the previous day.

There are still plenty of flyers, so if you hear of anyone who wants info please don't hesitate to phone Vicki Schade on 0408 572 333 and she will send it in the post to them.

A few past students have shown a lot of interest in entertaining us at the dinner with a few funny stories from the past.

Please spread the word.
