WELL ATTENDED ANZAC SERVICE

A large number of people gathered in fine weather at the Stanhope War memorial in McEwen place on Sunday 23 April for the Annual Anzac Service conducted by the Stanhope and Girgarre RSL sub Branch.

It started with a short march lead by local WW2 veteran David Bell. Ex-service men and relatives all joined in the march from the Community Hall to the War memorial. Kyabram scouts provided the two flag bearers and other scouts joined in the march. The Rushworth Concert Band provided the music for the day.

A catafalque party of regular soldiers from the Puckapunyal School of Armour formed a guard of honour at the War Memorial, while many Wreaths were laid as a tribute to remember the ones who had fallen and the ones who have passed on since. The Last Post was sounded followed by one minutes silence and Reveille. The flag was then raised.

The march returned to the Community Hall, where local historian, John Hancox, had many of his war related items dating back to the Boer war on display.

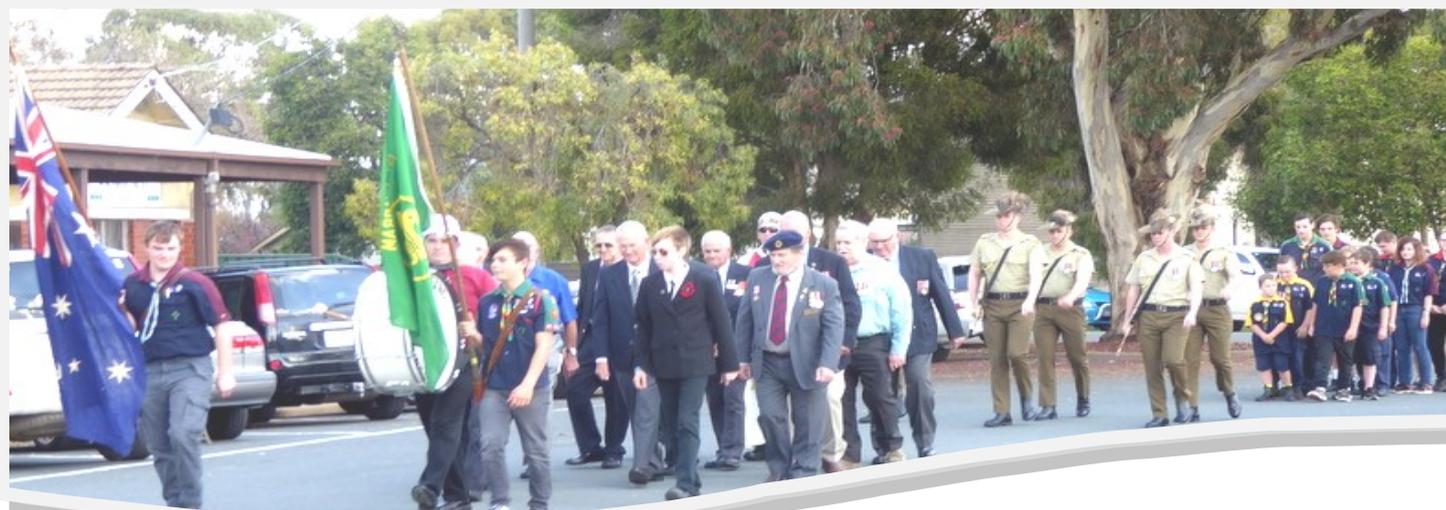

Stanhope RSL President Phil welcomed every one, and thanked them for coming.

Rev. Roger Ross, Anglican minister lead the prayer and first hymn.

Roger then played his guitar and sang a song which was well received.

Guest speaker was ex RAAF Flight Lieutenant Ross Mathieson, who grew up in Stanhope and went to the Stanhope Primary School. He now lives in Sale. Ross, a helicopter pilot during the Vietnam War, gave a very interesting talk on his experiences. Ross said it was 60 years since he took part in the Stanhope RSL march, and that was when he was a boy scout.

Damian Drum MP Federal Member for Murray also took part in the service and he talked on the spirit

Upcoming Works at Fonterra Factory

As the cheese factory moves closer and closer to commissioning, the focus of the civil-based works occurring at the site will start to move from inside to outside the building. This will include the addition of pavements, bollards and landscaping around the new building and eventually, the installation of the Legendairy Stanhope Mural on the north facing wall in July.

A major part of the works scheduled to occur during May will be the upgrade of the site entry and exit points along the Midland Hwy and Girgarre-Rushworth Rd.

Entry/exit driveways and traffic islands will be upgraded to meet current road safety standards and will allow for better truck turning circles when entering and exiting the Fonterra site. This work will complement the onsite traffic management that has already been completed, and will resolve a long standing issue of tight turning paths for trucks. We also anticipate that the employee car park located on Girgarre-Rushworth Rd will require some levelling and fitting out with reflectors to help mark out parking bays more clearly.

In order to get this work completed, there will be times during May when certain entry and exit gates will need to be closed off and alternative routes put in place. Traffic management, including speed reduction zones, will be in place on Midland Highway and Girgarre-Rushworth Road to guide vehicles as required. Initial set up works are expected to commence in late April with the road and gate entry works continuing until the end of May.

Stanhope Fire Brigade Elections

At the recent Elections for the Brigade Management Team of the Stanhope Fire Brigade, another Ex-Captain has been added to the list of serving fire fighters.

After 12 years as Captain of the Brigade, Peter Dent is stepping down to allow younger blood and ideas to take the Brigade into the future.

The Brigade Management Team which will take over on the 1st of July 2017 for a two year service period are:

Captain: Christopher Dent (who has previously held the ranks of 1st Lieutenant and previous to that of 2nd Lieutenant)

1st Lieutenant:	Peter Dent
2nd Lieutenant:	Malcolm Douglas
3rd Lieutenant:	Nick West
4th Lieutenant:	Tanner Stokes
Secretary:	Gerard Lucardie

The Stanhope Fire Brigade continuing to protect our community.

Great Autumn Break

Stanhope recorded 105mls of rain during April, giving the district one of the best Autumn breaks for many years. The 105mls was only the third time Stanhope has recorded more than 100mls during April since records commenced in 1921. The average rainfall for April in Stanhope is 33mls. The highest recorded was 141mls in 1974 and no rain was recorded in April 1945.

Stanhope "Legendary Bar and Grill" Opening Soon.

A new opportunity to dine out will be available soon in Stanhope, with the opening of the "Legendary Bar and Grill"

Owned and operated by Naomi and Geoff Crilly, *The Legendary Bar and Grill* will be open seven days a week for Breakfast, Lunch and Dinner, with extended trading hours to cater for functions in an area specifically set aside for this purpose.

All food will be prepared and cooked on the premises and will include a great range of home style food, as well as Pizzas cooked in a wood fired oven along with a range of "Bluebells Parmi", which will be exclusive to the *Legendary Bar and Grill*. All this food will be available as Dine-In, Take Away and a Home delivery service will also be available.

Trading hours - As a trial it is intended to open as early as 5.00 am for the first month of operation. Closing times will be Sunday to Thursday at 9.00 pm with Friday and Saturday nights offering extended trading hours, depending on demand.

Stanhope Ute Show

After the success of the well-attended Ute Show last September which was held at the Stanhope Hotel, current owners Mark (Hightower) Beggs & Mandi Goddard are looking to hold a bigger and better show again this year. Last year there were over 50 Utes on show with approximately 150 people in attendance with a substantial amount being raised for Vision Australia.

It is intended to run the event again this year on September 23rd at the Stanhope Recreation Reserve as a Community Fundraiser, with all proceeds to go back to the Stanhope Community. They are looking for support from any community groups to get involved to help with catering or by helping in some way by volunteering their group to operate food vans, gates, environmental upkeep etc. In return your group will be rewarded by a share in the profit made from the day.

Other events to be held on the day are Lawn Mower Racing (Children & Adults) Pony Rides, Jumping Castle, General Interest Area and Whip-cracking. A great family day out for all the family.

Inaugural Annual Meeting

To help get this fundraiser off the ground there will be a **Community Meeting held at the Stanhope Pub on Tuesday May 16th at 7pm**. If you would like to be part of this year's Ute show from the ground up then come along to the first meeting and put your hand up to help get this show happening and make it the greatest in Victoria.

We already have some great ideas to make it not just another Ute show, but a day out for the whole family followed by a great night out to end the day.

COMMUNITY BANK CONDUCTS INFORMATION NIGHT AT STANHOPE FOOTBALL CLUB.

The Rushworth and District Community Bank and Stanhope Customer Service Centre conducted a successful dinner and information night at the Stanhope Football /Netball Club rooms. Also included in the night was the Auskick Group along with members of the Senior football and netball teams.

While the crowd enjoyed a wonderful meal Vice President Damien Miller spoke on behalf of the football club stating that the club enjoyed fantastic support over the years from the Community Bank with various sponsorships, the latest being a generous \$2500 to go towards the purchase and installation of new goal posts for the football ground. He remarked that this wouldn't be possible if it wasn't for the locals bringing their banking and Insurance business to the Community Bank.

Company Secretary Michelle spoke on the importance of people not just thinking about, but actually doing something about bringing their banking and insurance business over to the Community Bank so we can continue to inject assistance into the local community like the \$2500 for the Auskick trailer, supporting the SGR Giants with new football jumpers for all players, \$5000 to the Stanhope bowls club for a new irrigation pump, all made possible by something as simple as banking at the Community Bank.

Manager Kevin Livingston spoke on the array of banking and insurance products available; outlining that the Community Bank is part of the 5th largest bank in Australia, including Rural Bank and is totally Government guaranteed giving all customers peace of mind

. Last to speak was Andrew Hipwell, representing Auskick, outlining that if it wasn't for the Community Bank they wouldn't have the trailer and training gear to be able to carry out the work they do with the kids, also the support given to kick start the LEGENDAIRY campaign and going on to win it, wouldn't have happened without assistance from the Community Bank.

The Community Bank would like to thank the Stanhope Football /Netball Club for the opportunity to conduct the night and encourage people to go to the Stanhope Service Centre and talk to Melissa and Mary to find out how easy it is to bring your banking over or something simple as an insurance quote to support your Community.

Obituaries

Robert Kenneth Symons

Robert Kenneth Symons Born on the 8th of February 1979, Rob was a happy boy and for 38 years he got the most out of his life. Our family moved to Stanhope when he was three. Rob was diagnosed with Autism and Epilepsy at the age of five years. Rob went to Gowrie Special School in Shepparton making new friends and enjoying the routine. As Rob had no verbal communication, we were very surprised when Paul at the school asked what they were having for lunch. Rob replied "sausages in bread with sauce", in sign language. This was the first time he was able to express himself. After this, Rob was taught the basic signs and was also taught to swim with the instructor using sign language. Rob was integrated into Gowrie Street State School in Shepparton, where he did art, reading, music and sport.

In 1991, Rob transferred to Stanhope State School where with the assistance of his Aide, Mrs Bray (Noelene) he became part of the local community picking up the school mail and doing a small amount of shopping. Rob could be quite determined. One day he had a note to buy "1 kilo of sausages and some milk for Mum". Passing the butcher's shop Noelene tried to get Rob to go in to buy sausages. Rob refused and said "Mrs Marks", as he knew the sausages were always bought from the Deli at Marks' supermarket. He was given the award of "Most Improved Student" that year.

In 1993 Rob went to Rushworth High School making new friends in his three years there. He enjoyed doing pottery, reading and sport with his Aide Debbie Weppner assisting him. In 1996 Rob returned to Gowrie Street Special School being taught simple cooking, road safety and shopping. At 18 years old he was able to attend the GV Centre where he did lawn mowing, swimming and ten pin bowling.

Rob started at Murray Human Services in Kyabram in 2005, forming lasting friendships. Rob had his own routine which included gym, swimming and delivering papers around Kyabram and Merrigum. He went swimming twice a week, often tiring Don out by doing up to 100 laps of the pool.

Rob also went to the Men's Shed in Stanhope, where he enjoyed sanding the wood to make Christmas decorations.

Rob had many quirks. When he was little, we went to the local football, but I did not see much of the match as Rob would walk around the ground telling me the make and model of every car. Rob enjoyed Johnny Farnham music. Once coming home from Bendigo, Rob spotted Johnny Farnham training one of his Quarter horses. We stopped to watch and Johnny came over, Rob had one of Johnny's tapes, which he signed for him.

At night, Rob had his own routine. He never missed giving me a kiss on the cheek, he would even wake me up, kiss me goodnight and say "Be good". His last words to me were on the bus, putting up 3 fingers and saying "3 sleeps. See you Monday. Thumbs up be good!" Rob was well liked and loved. We will miss him dearly.

Bye Rob. Be good!

Stanhope Art Space & Comfort Station

At a recent meeting of the Stanhope Planning Group, the official name of the New Toilet Block will be named, "Stanhope Art Space & Comfort Station".

The committee is currently arranging the installation of 2 new Tables & Chairs to be installed along with the Picasso Cow and Official Signage.

The Art Space is in need of some items to be displayed and if anyone has any ideas they would like to contribute to utilizing this area, please contact the Stanhope Business Centre. The committee is currently working on a Stanhope History from the early settlement days to be placed into one side of the display but this may take some time to be completed.
