WH Emmett Family Celebrates 100 years at Shenstone

Not even the cold weather and rain could dampen the spirits of many family members who attended the 100-year reunion held at Gordon & Lyn Emmett's property on Sunday May 28th.

Sixty-eight descendants from WH Emmett (Bill), attended on the day. Bill first applied for the Closer Settlement Property, known today as 'Shenstone', on May 28th 1917. Bill & his wife Sylvia along with 12 children settled and operated the property until Bills death in 1941. The farm was then operated by Ivor and Malcolm, (Mac) who had to leave school. Mac & Ivor purchased an allotment each with Mac taking over Shenstone. Their mother Sylvia passed away in 1969.

In 1953 Mac married Angela and had 5 children, Gordon, Bill, Colin, Sue & Daryl. After leaving school at 16 Gordon came home to help Mac & Angela run the farm, followed by Colin a few years later.

Following the marriages of Gordon & Colin in 1981-82, the family purchased another property in Morrissey Road where Colin milked half the herd and Gordon & Lyn with their 3 children, Scott Marcus & Craig stayed on at Shenstone continuing the farm.

In 1987, Mac & Angela retired with Gordon & Lyn purchasing 74 acres of Shenstone, then in later years purchased Ivor's property of 42 acres next door, adjacent to the town, followed by the other 60 Acres where Mac & Angela lived in retirement.

Emmett family reunion cont....

Son Craig decided to come home to help Gordon & Lyn run the farm in 2005 for about 4 years, before heading off to study agriculture and finally coming back to help manage the farm in 2013 and joining the partnership in 2014, and becoming the 4th generation to take over.

In conclusion, Gordon spoke to all present saying, "100 years on, here we are today to celebrate this momentous occasion. After 4 generations of operating and building on the farm and stud enterprise, Lyn, Craig & myself are very proud of what we have achieved, with the help and support of Mum & Dad. We look forward to seeing Craig & Erin continue to run this farm for many years to come and hopefully have a family to continue on the dynasty."

We are sure Mac is looking down on us today feeling very proud of the achievements of his family.

Angela, Gordon, Lyn & family would like to extend a special thanks to the Stanhope & District Men's shed for cooking the BBQ and the Men's Shed Band for the wonderful music which they provided on the day.

Fonterra Update

It's time for Big Cheese

June has finally arrived!! It's been a little over 12 months of construction to date, with more than 300 contractors on site during that time to create the impressive structures that now take pride of place at the Stanhope factory. It's not finished yet but it has been exciting to take the community and our employees along for the ride so far – sharing updates and stories from the factory and about the project in the About Town each month.

This month we enter the commissioning phase of the project. That means it is time to start making cheese in Stanhope again.

A number of visitors will be attending the factory in late May and early June to make sure we have the tick of approval from the relevant quality, food safety and environmental authorities. Following this important step, we will start running milk through the processing equipment in small batches. First we plan to make some good old fashioned cheddar, followed by parmesan, gouda and low fat cheddar. All going well, we anticipate full production in place by August.

In the meantime, the site continues with finishing touches around the outside of the building. Walls are being painted, the gateways have been sealed and road works almost complete. For those who may have already noticed we even updated the Fonterra logo on the top of the dryer building. The mural is on track for installation in winter and we have started making plans for a community open day to be held once the weather gets a bit warmer.

Sale of DHS Units- Confidence Growing

Walker Real Estate was very pleased with the successful sale at their Auction of 1-7/43-45 Birdwood Avenue, Stanhope, on Friday 26th May. The generous crowd that attended were privy to spirited bidding that eventuated in the property being sold under the hammer for an encouraging \$305,000. Director of Walker Real Estate, Justin Barnett, stated "it shows that there is growing confidence in the area. Obviously the major works being conducted at the factory and in local retail shops attributed to the investors bidding strongly on the day". Justin went on to say "the successful buyer is intending on completing numerous renovations to the units and will be looking to rent them out in the near future".

Successful day for the Girgarre RSL Anzac Day Golf Bowls Tournament

The annual event held each year on Anzac Day with the venue being the Valley View Golf and Bowls Club, has again proven to be a successful fund raiser for the Girgarre RSL. President of Girgarre RSL Laurie Young thanked the Valley View Golf and Bowls Club for the venue and the organisers to conduct the golf and bowls tournament and appreciation was extended to the many sponsors, too many to list, that have generously provided prizes for the lucky winners and the raffles.

With the Anzac dawn service conducted at the Girgarre cenotaph in cold and wet conditions, it was with great relief that the afternoon weather conditions enabled the bowls and golf events to go ahead, although some entries did a late withdrawal.

Winning results -

Lawn Bowls: Locals from Girgarre in Greg Fitzpatrick, Mark Summers and Barry Fletcher took out the top prize with runners up being John Bailey, Ken Phillips and "Sparks" McMeeken.

Golf: Lady winners were Jan McHale and Tracey Wade on 38 points with Runners-up being Helen Armstrong and Judy Green on 37 points.

Men winners: Mick McAuliffe and Dean Hubble on 49 points with runners-up Steve Usher and Fred Andrews on 47 points.

Calloway winner: Ben Fletcher and nearest the pins were in the Men Steve Usher and Ladies Elizabeth Haw.

The numerous raffles from the most generous sponsors were won by Glenda Patterson, Judy Greer, Russell Shawcross, Mark Summers, Dean Hubble and Sue Robinson.

Stanhope Football Club Academy Report

In Season 2017 the Stanhope Football Club has implemented an Academy named **The Lions Academy** as a development tool for their Junior players. The Academy is aimed to develop players aged 13 to 18 years of age through a range of educational experiences. A workshop Day was held in March at the Football Club. Topics such as Nutrition, The Power of Communication, Healthy Team Habits and 'What makes a good Footballer' were covered. The players also had the opportunity to do some elite testing that is conducted at the AFL Draft Camp.

On Sunday, May 21st another day was held in Kyabram with a practical session at the Kyabram Secondary College based around tackling, stoppage tips and handball decision making. The players also attended Infinity Gym to learn about the benefits of training at a Gym and how to do these activities. For some it was the first time they had been to a Gym so it was a particularly valuable experience led by Russell Jarrott who has worked with elite Sports teams in the past.

The Club has two more days planned for Season 2017 and thanks those who have contributed so far including Brett Henderson from Pro Programs, Senior Captain Tom Hepburn, past Coach Mark Patten and Academy Co Ordinators Troy Auld and Dean Wileman.

In addition to these experiences the players received their own Football and an Academy Top. Thanks to those people who supported the recent Academy Raffle.

Memories of Joyce Nelson (Joycie)

Joyce was born in Kyabram at the old hospital where the Kyabram Club is now. She was the second of four children being Kevin, Joyce, Ruth and Ronald. The family were dairy farmers from Tongala. Joyce attended Deakin School which was situated about a mile from the Ky West Pub. Small world that it is she attended school with Floss Holschier. Joyce attended secondary school in Kyabram and left to look after the family when her mother became ill. Joyce's first job was as a bookkeeper at Rodney Motors in Kyabram. She then went on to become a cook at the Kyabram hospital. Joyce met Alex at the fire brigade dances in Kyabram. They were married in 1951 at the Kyabram Presbyterian Church. On moving to Stanhope Joyce worked firstly at Ted Perry's grocery which became Marks and then over the road to Dettman's. Joyce loved dressmaking and made all of her own clothes. She was a stylish dresser who certainly knew how to wear a scarf. Joyce loved cooking, children and especially Alex. She followed the local cricket and footy and was of great assistance to Alex in his roles as office bearer in these organisations. A lovely lady was Joyce.

2017 Tertiary Scholarship Winner

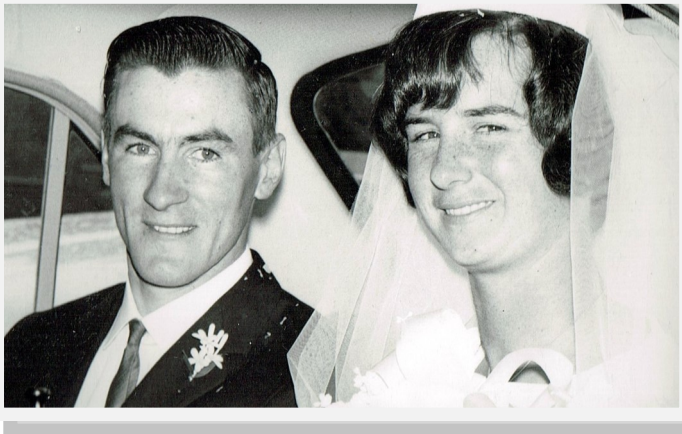

Rushworth & District Community Bank and Stanhope Service Centre are very proud to announce our 2017 Tertiary Scholarship winner - Kristy Crute. Kristy is studying Zoology in Geelong and this scholarship has supported Kristy's move away from Rushworth and ensure she can begin her uni studies. Congratulations Kristy!

In Kristie's own words, "Being successful in applying for this tertiary scholarship has positively affected my study as it not only gives me the confidence that I have the skills and work ethic to be a worthy and one day successful recipient from the eyes of the small community I am from, but it also takes the pressure off funds while moving away to study and gives me the ability (that I may not have previously had) to afford every necessary resource available in order to be the very best I can during my tertiary studies, whether that be through necessary textbooks to things like extra credit activities or over-looked things such as simply parking fees. I am truly grateful for not only the opportunity to apply but to be accepted for this scholarship."

The Rushworth & District Community Bank and the Stanhope Service Centre offer a \$2000 one year tertiary scholarship every December for rural kids attending university from Rushworth, Stanhope, Girgarre, Colbinabbin and Murchison.

Jim and Glenice celebrate 50 years of marriage

Jim and Glenice Phelan celebrated 50 years of marriage on Saturday 6th May.

They first met at dances when they were 20 years old and were engaged at 21 and married at 22.

They were married at the Sacred Heart Cathedral in Bendigo, which was the church Glenice attended each week. They both came from large families, Jim being one of eight children and Glenice one of five. Many of these are now deceased.

When they first came to Stanhope Jim worked for a short time with Mawsons and then with Joe Hynes on his property in Two Tree Road, doing a variety of jobs from tractor work to carting wheat into the Stanhope silos. He then gained employment at the factory, where he remained for 43 years before retiring.

Glenice left school at 14 and gained employment at the Beehive in Bendigo, where she worked for 8 years. The Beehive was an emporium which sold a large range of clothing, furniture and other household requirements. Jim and Glenice were blessed with three children, two boys and a girl.

Millie Renee Cox

Tamara, Marc and Jimmy are very surprised and delighted to announce the safe arrival of Millie Renee Cox. born on 19.04.17 weighing 7lb13 oz. Granddaughter for Ian & Keryn Coote.
