Cheese Finally - At Fonterra

In last month's About Town we reported that it was finally time to switch on the factory and start making cheese.

Wednesday 21 June was a momentous day for the production team and for the broader dairy farming community – the first block of cheddar cheese was made at our new Stanhope plant.

Over the next eight to ten weeks the production team plan to slowly ramp up small batches of cheese and whey production, enabling the site to continue testing the equipment, the product quality and complete the training of all operators.

Members of the Stanhope Community Consultation Committee were invited to visit the site on Monday 19 June and were treated to a sneak preview tour of the new factory.

A tentative date has been set for a community open day to occur in mid-September and more information will be announced in next month's About Town.

Huge Day at Whroo Cemetery

The unveiling of a plaque, which contained the names of all those interred in the Whroo Cemetery was carried out on Sunday 25th June.

More than one hundred people, mostly descendants, were in attendance to witness this ceremony carried out by two of the eldest descendants Mrs Perry aged 100 and Mrs Kennedy aged 94.

The Bronze plaque manufactured by D.P. Jones of Kyabram was set on a large piece of bluestone by Mr Jim Deslandes, a member of the Whroo Cemetery Trust and a retired stone mason, now becomes a permanent record for all descendants and visitors to the cemetery.

Mr Bob Holschier of Stanhope, chairman of the trust, thanked all those in attendance and in particular those who had assisted in the research to discover all the adults and children buried in the cemetery during the past 150 years. In particular he thanked those who had made significant donations towards the \$5,000.00 it cost to have the plaque manufactured and put in place.

Lyn & Gordon's Trip to the UK

On Thursday June 8th, we flew out of Tullamarine Airport on our 27-hour flight to the UK to visit our son Scott and family, Jenny & Lila. Flying via Jakarta, Singapore and Amsterdam, we eventually arrived very tired in Manchester where we were met by Ben & Don Chapman where we were to stay for the weekend as our son was in the midst of riding from London to Paris to raise funds for the **Make-A-Wish Foundation** in memory of a good friend who had passed away last year. There was a large contingent make the trip in about a 24hour period. It was such a momentous effort by all who participated. We are so proud of Scott.

Scott (middle) with friends arriving in Paris

Beautiful Lake Grasmere in the Lakes District

After a restful weekend in Manchester, we boarded the train to Newcastle in the North to be met by our son at the train station and eventually arriving at Scott's home in Jesmond to finally be greeted by Jenny and our beautiful grand-daughter Lila who is 2 ½.

Over the next 10 days we spent time kite flying, visiting castles and beaches along with a weekend in Grasmere in the Lakes District.

One of the most enjoyable times was baking with Lila for a morning tea at Scott's work to raise funds for a project that he is involved in through his work at ARUP. Scott is a structural Engineer and will be designing and constructing a suspension footbridge in Southern Rwanda, which will involve him to go to Rwanda for 2 weeks in August. He needs to raise a total of £1000 before leaving.

(See Scott's letter below)

I spent two mornings cooking cakes, biscuits and slices and then attended the morning tea at Scott's work to see about 100 people turn out to donate and partake in morning tea. There was not a single piece of food left by the end of the day. This raised £120.

We would like to help Scott achieve his goal by holding a Trivia Night Fundraiser at the Stanhope Hotel on Wednesday July 19th at 7pm. Cost is \$10 head. Please contact Lyn on 0427572629 to book.

After 2 weeks in the UK, time came to finally head back home with another 27 hour flight via Amsterdam, Kuala Lumpur arriving in Melbourne on Friday night at 7pm.

Hi everyone,

I hope you are all well. Through my workplace I am going to be designing and constructing a footbridge in southern Rwanda which will involve me going out to Rwanda for two weeks in August.

The bridge is a footbridge to span the Umudasomwa River in southern Rwanda. Currently the local Ruheru community is split by the river and local people have unfortunately died trying to cross the river during the rainy season on crude makeshift timber bridges.

This project will involve the construction of a suspended footbridge to provide a safe route across the river for the local community. It will provide residents of surrounding towns and villages with safe access to critical services such as schools, employment, food markets and healthcare.

I will be part of a team of 10 helping deliver this project and we need to raise approximately £10,000 to go towards the costs associated with this bridge build.

Thank you in advance for your support.

Cheers,

Scott Emmett

Volunteers needed (Urgently)

Stanhope Development Committee desperately needs more volunteers to assist in operating the Business Centre. This could be as an on call arrangement or as 'set hours' you are available. As a Centrelink agency, the centre must be manned. We are also registered to sign off on the Centrelink Newstart Scheme if required. Without volunteers, Stanhope could lose this & other valuable services.

Mystery Bus Birthday Tour

A Mystery Bus Trip for 6 Stanhope Girls who all have big birthdays this year and who have been very close friends for over 60 years with most of them working together at Hepples Emporium back in the 1950's.

Our big day organized for us by Maree Chester began with an 8.30am pick up in Stanhope for Gloria, Alice, Shirley and Marie, then on to Tatura for Patricia, then Benalla for Nancy, where we began our tour of the beautiful scenic King Valley with our friendly bus driver, Lou. First stop was Dal Zotto winery for morning tea of hot scones, jam & cream, onto wine tasting at La Cantina, then a fabulous lunch and more winetasting at Grace Brooks winery. This was followed by a scenic tour around King Valley before we headed back to

Benalla, then home – the last one about 7.30pm. A great day filled with past memories, plenty of laughs, and of course lots of talking. Our thanks go to Maree (Patricia's daughter), and to all our families unbeknown to us who contributed to this great day which we will remember always.

Stanhope Primary School Honours Hageman & Davies Families

Last Wednesday 28th June, a morning tea was held at the school, to thank Bill and Anita Hageman and Brian Davies for many years of service to our school.

Brass plaques were presented by Principal Christine Owen to Brian's family for 30 years' service in attending to the maintenance of the school grounds, and to Bill and Anita for 16 years' service in

keeping the grounds and gardens looking beautiful. She said: "Their generous support of our school is much appreciated and valued". The plaques will be mounted at the main entry to the building.
