

Fonterra West Road – Drone Survey

Earlier this year Nick Buzza (President of the Rushworth Historical Society), accompanied by local Stanhope resident George Gemmill, visited Bakers Farm to take some photos using a drone. Nick teaches short courses in GIS, GPS and UAV applications at the Riverina Institute of TAFE and has worked in the spatial industry for over 20 years.

Many local residents are aware of the salt-based stockpile currently stored at our West Road property given it is visible when driving north from Rushworth to Stanhope. We used Nick's expertise in deploying his drone to assess the overall mass of the stockpile. Nick produced a digital elevation model (see image below) from the drone photos and calculated an indicative volume.

The information that Nick put together will be combined with scientific data to assist us in planning how we gradually dispose of this material over the longer term.

We would like to extend our gratitude to Nick for his interest and assistance. .

GIRGARRE PRIMARY SCHOOL CENTENARY

The Girgarre Primary School is celebrating its centenary on the 9, 10 and 11 November, 2018. The centenary committee is compiling a list of interested people's mobile numbers, email or postal addresses so that details of the event can be forwarded to them. For further information please contact the Girgarre Primary School ph 58546275 or email the committee at girgarreprscentenary@gmail.com or find us on Facebook.

Family Fun Night at Stanhope

It's not often you get a chance to go out enjoy yourself and someone picks up the bill. Well that is about to change. Thanks to the combined efforts of Stanhope Health, Waranga Community Health and the Stanhope Men's shed in securing a grant from The Royal Flying Doctor Service and the generous support of sponsors Murray Dairy/Dairy Australia, Australian Consolidated Milk, Shire of Campaspe, Stanhope & District Development Committee, Stanhope Football/ Netball Club, Rushworth & District Community Bank, Rural Bank, Fonterra. Something for everyone is the main purpose of the night. Get out and relax in good company with great entertainment and one of the men's sheds well known BBQ's is the message.

Come along and listen to Kevin Sheedy, well known for his football career and his ability to inspire and motivate. Enjoy good family friendly entertainment, a movie on the big screen with snow cones and popcorn for the kids. The date is April 20th. Start time is 6:30 pm at the Stanhope Recreation Reserve.

**GIRGARRE
GALA OPENING

by Patrick Cronin**

Thanks from Nicola

Hi folks,

I wanted to thank you for the opportunity to share some of what I do in Liberia with members of the Stanhope Men's Shed and the broader Stanhope community, and more specifically to express my sincere appreciation for the financial support provided.

As discussed, this was used to purchase several mathematical modelling kits (base ten sets), which will allow us to demonstrate abstract mathematical concepts (addition, subtraction, multiplication, division, place value, decimals) on a practical, hands-on level for younger and more visual learners.

Not everyone learns the same way, and materials like this help us to move beyond writing on a chalk board. I'm attaching a picture together with the receipt for purchase. They will be carried across to Liberia on my next trip on 10th April.

Thanks again.

Kind regards

Nicola Sutton

Project Manager

Liberia Renaissance Education Complex

Stanhope Health Survey Feedback

Thank you to those who completed the questionnaire that was distributed in November 2017.

The results of the survey were reviewed by the members of the Stanhope Health Governance Committee at the March meeting. Approximately 530 questionnaires were distributed to residents of Stanhope, Girgarre and surrounding areas. We received a total of 40 responses. The small number of responses makes it difficult to draw definitive conclusions.

STANHOPE
HEALTH

What we can do is share the common themes that emerged from the 40 responses we received.

Requests for more doctors or more days that the doctor visits
Pathology service

What we plan to do;

This information will be shared with the Kyabram Regional Clinic.

We will ask the local Pathology service re providing a collection service in Stanhope.

If you are interested in having input into the services provided at Stanhope Health, we are looking for interested community members to join the Stanhope Health Governance Committee. Please call 5857 0250 or email gcampbell@kyhealth.org.au. More information is available on our website: <http://www.kyhealth.org.au/services/stanhope-health-service> and LIKE us on Facebook: Stanhope Health to keep up to date with what is happening.

Stanhope Heart Foundation Walking Group

Do you enjoy walking? It does not matter if you walk every day, once or twice a week or if you walk with a friend or on your own.

You are invited to join the Stanhope Heart Foundation Walking Group.

It is easy to join.

Visit Stanhope Health and say you would like to be part of the Walking Group. We will register you with the Heart Foundation and each month you will receive a calendar in the mail from us.

Just place a tick on the days you walk on the calendar

Return the calendar to Stanhope Health.

The Heart Foundation sends rewards and certificates as your walks add up.

For more information call into Stanhope Health or Phone: 58570454

email: abourke@kyhealth.org.au

Landcare News

The Stanhope Girgarre Landcare Group has recently reformed after some years in recess. Meetings will be held no less than four times a year, any new or former members are welcome to join us.

Our primary focus will be to work with the Girgarre - Stanhope Rail Trail Committee on obtaining funding for the revegetation of the disused rail line between the two towns.

Contacts for the groups are:

Landcare- Bernadette Fitzpatrick 58572567 Rail Trail- Sandra McDonald 58546324

Real time payments

Faster, simpler payments.

The simpler side of faster, simpler payments is now available in Bendigo e-banking. You can now register your PayID.
Call Stanhope Service Centre on 03 58572361

Forget BSB and account numbers

Instead, you can register a PayID, such as your mobile number or email address, to your nominated account to receive payments.

A PayID does the same job as a BSB and account number, it's just easier to remember. But if a BSB and account number is all you have, that's fine. Your payment will still be made.

Business customers can also register an ABN as a PayID in person or on the phone.

Register now

Online - e-Banking and the Bendigo Bank app
In person - At your nearest Bendigo Bank branch
On the phone - give us a call on 03 58572361

Mural now at Business Centre

An image of the Legendairy Mural on the wall at Fonterra, is now available to be inspected at the Stanhope Business Centre.

Come along during opening hours and have a close look to see if there is anyone you may know, or possibly see yourself on the Mural.

Everyone most welcome.

Craig's 2018 UDV New Zealand Tour

On February 18th, Craig Emmett joined 6 other participants on the Gardiner Foundation 2018 New Zealand Study Tour. The Group along with UDV policy councillor Matt Gleeson, toured the South Island of New Zealand exploring farming systems, industry structures and discussing dairy with the locals. The tour is an innovative leadership initiative organised by the United Dairy farmers of Victoria.

Day 1: After landing in Christchurch NZ, the crew got to know each other over dinner before heading off on their tour.

Day 2: Visiting 2 dairy farms one being a 5th generation dairy farmer, the other milking over 1050 cows followed by a jet boat trip at the Rakaia Gorge.

Day 3: Visit to Farming Federation of NZ to discuss the NZ dairy industry with FNZ representative addressing labour shortages, more training opportunities through apprentices and succession planning.

Day 4 – After a cyclone we were greeting with raging rivers and flooded road. Visited 3 large scale farming properties arriving in Dunedin for the night. 1 milking 1500 cows, then on to Rakaia Island (2600ha -1590 farmed) formed in the middle of the Rakaia River. The island being privately owned and converted it from sheep/beef into dairying including 4 internal rotary dairies. The 3rd was another family run business including dairy, cropping, vegetables, grazing and contracting and employed close to 100 people.

Day 5: The next farm we visited was owned by 8 shareholders and milked about 520 cows. Arrived in Invercargill Rao Bank branch to discuss all sorts of matters including land price, splitting equity equally amongst families and siblings as well as the support that the bank provides to farmers. We also visited the Livestock Improvement Corporation who represents 12000 shareholders, employing 700 full time staff all year round and at peak can have an additional 1000 staff members join, and exports to 40 countries across the world. 70 % of New Zealand's dairy herds are currently tested through their services.

Day 6: Explored the township of Invercargill. Visited a 202 hectare dairy farm in southland whose family run 4 farms in total milking 540 spring cows with 120 replacement heifers at peak. They run wintering free stall barn with a mixed feed of bailage and sugar beet. The next farm milked 500 cows on 175 hectares with 90 hectares on lease.

Day 7: Visited a farm in the process of converting to Organic Farming. Visited a roadside Raw Milk Vending machine, (this being illegal in Australia). The next farm was the Southern Dairy Hub, a state of the art milk metering gear and multiple drafting gates, with manicured laneways and perfect pastures. Very impressive setup. Then off to visit "SHENSTONE" farm (not the Stanhope one,) to hear of his excellent insight into how he ran the business with his philosophies on how to ensure dairy farming in his region ran as efficiently as possible and getting the best return on your investment. To be a positive and open attitude. Then on to Queenstown for our final night.

Craig enjoyed it immensely and learnt a lot and recommends for anyone under 35 interested in applying for next years trip.

Stanhope Fuel Under New Management

The new managers of Stanhope Fuel, Ashok and his wife Usha have recently taken out a fifteen year lease on the business and intend to carry out further improvements.

Not only is the fuel amongst the cheapest in Victoria, but after many alterations to the building they have established a convenience store with a range of drinks, sweets, and take away food. A free air facility has also recently been installed.

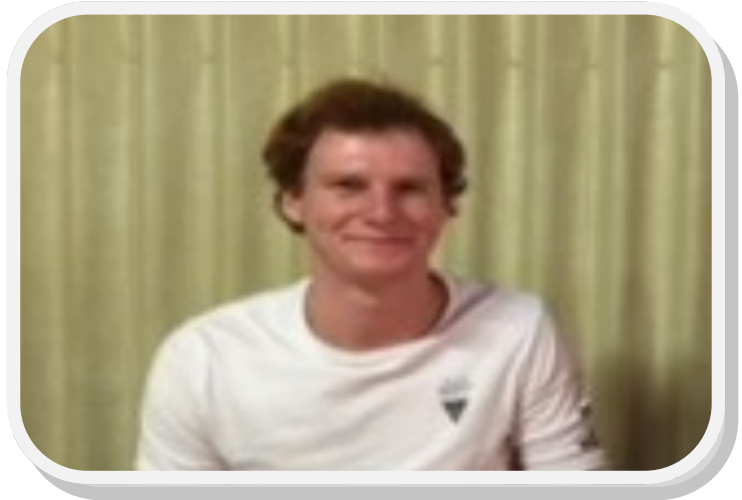

As well, a range of oils required for machinery and other motoring requirements will be stocked.

Amongst further improvements planned is the upgrading of the driveway and the installation of illuminated signage.

The previous managers are now managing a BP Service station in Benalla.

Birthday Celebrations

Raelene Dean and Kristen Halls recently celebrated their birthdays at the Stanhope Hotel with friends.

Ruth and Bob celebrate 85 years

Ruth Golding and Bob Holschier celebrated their 85th birthdays at an afternoon tea with family and friends during March.

Tom Burgess turns 80

Congratulations to Tom for celebrating his 80th birthday recently. Many people will remember Tom as a former principal of the Stanhope Primary School and like other teachers who taught at Stanhope decided after retirement to live permanently in Stanhope

Stanhope Bowls News

The Stanhope Bowls Club has had a very busy time over the month of March. We have had a lot of praise for the great condition of our green all season and the GV bowls Association agreed with us hosting 3 weeks of finals. All credit to John Gibbs and his helpers who worked extra hard to make this happen.

Week 1 of the finals we had Division 1 & Division 2 playing on both greens. Due to the great hosting job we did the following week saw us host the Preliminary Final for Division 1 between Kyabram and Shepp Park. We received many accolades for the day and all spectators had a fantastic day. The GV were so impressed they gave us 3 Grand Finals the following week, Division 4, 5 & 6 all got to grace our greens for the ultimate prize. All vantage points for spectators were full and the BBQ was cooking up a storm all day. Although there can only be 1 winner in each division everyone appreciated the extra work our members did to make players and spectators enjoy the day.

The Final of the Club Pairs Championships was played on Friday 23rd of March. Hans Schmidt and Tim Hancock had been waiting for several weeks to see who their opponent was going to be. Due to the extra busy schedule of our greens games had to be delayed until it got to a point where games had to be played almost back to back.

On the Tuesday Barry Fletcher and Shane Walsh disposed of Gavan Poole and Brad Robinson then followed that game up on Thursday with a comfortable win against Neville Cowie and Geoff "Normy" Mulchay. The final saw an epic game with scores close all game. Just like the year before it came down to the last bowl of the game which saw Shane's bowl come down to draw shot and take victory.

Shane and Barry then went on to the GV Champion of Champions at Mooroopna on the Sunday. After receiving a bye in the 1st round they came up against a very difficult challenge in Josh Thornton (Commonwealth Games Representative) playing with former Stanhope resident Scotty Adams. In a great effort Shane and Barry came close but couldn't manage the win. By all reports it was a very highly skilled and great game, so credit to them both.

While the weather is good the greens will remain open so everyone is welcome to come down and have a roll. Have a chat to any member to see if there will be a chicken run on the weekends, great way to have fun and enjoy our great game.

Fire Brigade News

Big Congratulations to the Stanhope Community for their efforts this year with the Royal Children's Hospital, Good Friday Appeal. Stanhope should be extremely proud of the **\$2941.35** that we were able to raise. Thank you to all those that helped, especially the kids and parents that gave their time and efforts for this great cause. The Stanhope Community has a very proud history of supporting this wonderful and essential cause. Please keep in mind that many local businesses have RCH tins all year round to make donating an easy effort.

Raffle Winners: 1st Vic Simpson, 2nd Jack Donaldson, 3rd Nick West

Fire Restrictions ended in the Campaspe Shire at midnight on Tuesday 3rd April 2018.

This does allow land owners to burn without a permit however Local and State Laws Must be adhered too and a Zero tolerance to illegal and reckless burns still exists. Laws and guidelines to burn are available from the Fire Brigade, Shire of Campaspe and CFA Websites. Please see below the main and most important points for burning farm land etc. All burn offs are to be reported to the CFA Burn-Off notification line 1800 668 511 and to your Local CFA Brigade Captain, You have a minimum of 1000litres of water available to fight a fire if it escapes the control burn area and; you have 3 capable persons on site.

We at the Stanhope Fire Brigade understand that Burning farmland is essential to farming sustainability however our Volunteers don't want to be spending our valuable time extinguishing reckless burning activities because easy to follow guidelines have, at times been ignored.

STANHOPE ANZAC SERVICE

The Stanhope RSL sub branch invites the public to attend our annual Anzac day service.

Each year the Stanhope RSL Sub Branch combine with our neighbours the Girgarre RSL sub Branch to conduct a combined Anzac Service.

This year's service will be held in Stanhope on Sunday the 22nd April 2018 with an assembly at 1.45 and march off time at 2pm sharp, accompanied by the Rushworth concert band.

Local Scouts also take part in this parade and act as flag bearers.

Any relatives of ex-service persons are welcome to join in the parade and the wearing of service medals is encouraged

We have applied for a Catafalque party of Soldiers from Puckapunyal Army base

At the War memorial there is a short service with one minute's silence, the Ode and Last Post is played and the flag raised.

Members of the public are then invited to lay wreaths, the parade moves to the Memorial Hall where a guest speaker will lead the service.

After the service everyone is invited to stay and enjoy afternoon tea.

The Girgarre RSL will be conducting a Dawn service at the Girgarre memorial on Anzac Day.

90 YEARS Royal Flying Doctor Service

A dry start to Autumn

Official rainfall for Stanhope during March was only 5.2 mls. making a total of only 31.6 mls for the year so far.

The average rainfall in Stanhope for March is 33.1 mls The highest was in 1950 when

Stanhope received 256 mls for March. However, there has been no rainfall recorded during March on six occasions

Green Thumbs by Helen for April

Autumn is a crucial feeding time. Gardenias are fed to fatten them up for winter. Citrus need a good feed before their main fruiting season. Daphne's will be flowering soon so they need a feed. Roses get their last feed for the season and it is a good idea to feed camellias and azaleas to encourage new growth. Pieris and Hellebores can also be fed. Use an organic based or slow release fertilizer with a high potassium content. This helps flowering.

Later in April is the ideal time to plant new plants. It is hoped that by then we will have had more rain and cooler days by planting then the plants have time to settle in before the cold winter days.

Buy deciduous trees at the end of April, this give you a chance to see the Autumn coloring you can expect in the future.

Time to plant spring flowering bulbs. A pot of miniature daffodils, the variety Tete -a-tete, a favourite of mine, will brighten up the garden when they flower in Spring. When planting bulbs it is best to remember to plant them twice as deep as the bulb is high and the same distance apart. Most bulbs are planted pointy end up, except ranunculus and anemone, they have the pointy end down!

Plant flowering annuals now for a colourful display in winter. Pansies, Primulas, Polyanthus and Cineraria can all be planted this month.

It is time to prune pelargoniums. They can be cut quite hard, it is best to leave one or two leaves!

Fruit fly are still rampant, so gather up any fallen fruit and dispose of in a plastic bag left in the sun for a few days to kill the larvae. I
