

Stanhope Primary School Fun Run Colour Explosion

The Parent Club would like to say a big thank you to everyone who donated towards our fun run. A total of \$3,051 was raised and of that this school receives \$1,708.56, so huge congratulations to all the kids for the effort. This money will go towards much needed resources for the school.

Fonterra Monthly Update

The middle of the year is fast approaching and we've got plenty of construction activities happening at our Stanhope site. The expansion of our cheese plant will grow our cheese processing capacity so that we can make cheddar and mozzarella at the same time through two parallel processing lines. This will not only increase our processing capacity, but employment in the local region.

Every major project at Fonterra is dubbed with a project name, and in this case our Stanhope cheese expansion project has taken on the name of Project Modena.

Why Project Modena?

Modena is one of the five Italian provinces from which Parmigiano Reggiano is made, so the name is fitting recognition of the wonderful cheese we make at Stanhope. Modena is also the hometown of the Ferrari brand which indicates speed, team spirit and power – something that this project is all about.

We've got a big team of people working together on site to deliver this project, but they're doing so with safety as the number one priority.

And, of course no Stanhope project would be complete without Steve the cockatoo – can you find him in our project logo?

Whilst some of the work has been occurring inside the buildings, there has been significant activity visible from the fence line. As our works progress over the next few weeks, residents and visitors of Stanhope will be sure to see more cranes and large-scale deliveries as the major infrastructure starts to arrive on site.

Rushworth & District Community Bank

Rushworth & District Community Bank invests their profits back into our community that benefit everyone. Our Community Bank has invested \$2500 into Stanhope Recreation Reserve, \$5000 invested into the Stanhope Bowls Club and \$3000 invested into the Stanhope Kinder plus numerous smaller investments over the last 15 years to support our clubs, organisations and events. We do this by offering great banking products in our town with personal service to meet your banking needs. Your banking business contributes to every investment made into Stanhope.

We are currently offering a Financial Health check in branch for May and June. Everyone has different needs. You may be purchasing your first home, refinancing an existing loan or even purchasing your

next home or an investment property. When making this decision, we need to understand the importance of setting a realistic budget, to understand the real costs involved, and to know what we are entitled to.

The Rushworth & District Community Bank is currently able to assist with an attractive interest rate discount, and loan packages that offer a huge range of discounts on other products, including special offers on insurance and credit cards. Perhaps it's time to review your existing Home Loan and see if we can provide a more rewarding alternative for you and your community.

By supporting your local Community Bank, you not only receive friendly face to face service, you also add to the over \$800,000 already given back to help our communities thrive. Call into the branches in Rushworth or Stanhope or call the staff on 035856 2122 to make a time that suits you and find out more!

Our FMD makes your money work harder.

Make sure every dollar you earn works as hard as you do.

Just as seasons and prices fluctuate, so does farm income. A Rural Bank Farm Management Deposit can help you manage risk and strengthen your financial future.

With fixed rate and variable rate options, you can set aside pre-tax income from your profitable years, so you have it available when you need it most. You'll earn interest on your FMD and no monthly account service fees or transaction fees apply.

With a range of other benefits, you'll find a Rural Bank FMD is specifically designed to meet your farm's needs, now and into the future.

To find out more visit your local branch at 25 Birdwood Avenue, Stanhope or phone 5857 2361 to speak to Kevin Livingston.

Diamond Wedding Celebration

Keith and Val Maudsley celebrated their 60th Wedding Anniversary on Thursday 10th May in their home at 96 McColl Road Girgarre with friends.

Most of the family came the following Saturday. One granddaughter lives in Sweden and a grandson lives in Japan. However they both phoned on the day to congratulate them. Fiona Cordingly very capably provided the delicious food.

Keith and Val were married at St. Augustine, Anglican Church in Shepparton where Val had sung in the choir for seven years from the age of 12. She and her two sisters attended secondary school and boarded with their maternal grandparents. At 19 she returned to Cobram where she worked in the office of Murray Valley Co-op Factory, which sadly, recently finished up as Murray Goulburn.

Keith, a Queenslander, came to Cobram in 1951 prior to the factory being finished. He was the first cheese foreman and then Production Manager at Cobram. Morton Buzza, an original director, often invited the red headed Queenslander out for a meal. Val's two sisters had returned to Cobram before Val, which meant Keith had three girls to choose from!

Married life began in the home they purchased in Cobram. Keith then left the dairy factory after 11 years and gained orchard experience on his father-in-law's orchard. Because of a tragedy in Stanhope in 1963, Alan Williamson approached Neil Buzza to inquire if he knew of anyone who had both dairy and orchard experience.

Keith always wanted his own farm. He share farmed the property for three years on the Midland Highway opposite John and Laurie Sherman, who were great neighbours. Keith purchased this property and another at Rushworth. Five children were born and all attended the Stanhope Primary School.

In 1979 they purchased property in McColl Road Girgarre where they still live. They are very happy in their home and hope to remain there for a few more years.

David Bell Turns 97

Congratulations to David Bell on celebrating his 97th birthday recently.

David was born in Stanhope in 1921 and is still currently living on his family farm. He is a World War 2 Veteran and has never left Stanhope other than going off to war. He continues to be heavily involved in Legacy, RSL and Masonic Lodge. He served as a councilor on the former Waranga Shire Council. One of David's talents which he is renowned for around the district, is he can still recite "In Flanders Field" word perfect at any RSL & Legacy Official Ceremony. His memory is better than most of us and he is an interesting person to ask about any thing that has happened in our town over his 97 years.

Community input invited for Stanhope Recreation Precinct

A unique opportunity to input into the master plan process for the redevelopment of the Stanhope Community Recreation Precinct opened up this week with locals invited to get involved and have their say.

The precinct, which covers the recreation reserve's football, netball and cricket club facilities, the adjoining school oval, nearby tennis club courts and clubrooms as well as community hall are on land owned by the Department of Environment Land Water and Planning, and Department of Education.

A survey commissioned by Insight Leisure Planning, who are assisting with the project, will give user groups and locals the opportunity to have genuine input on the much-needed upgrade of facilities within the precinct.

A committed group of locals started the discussions with the Campaspe Shire Council and AFL Goulburn Murray almost 12 months ago on the back of increasingly dilapidated community facilities. With a focus on junior participation a meeting with the Campaspe Shire Council to discuss a small oval upgrade and lighting for junior football led to a larger review of recreation facilities in the township. Running parallel to this was an AFL Goulburn Murray assets review that tellingly rated the Stanhope facilities as poor.

With a shared vision a working party comprising of local sporting and community groups formed to progress the upgrades, under the leadership of Andrew Hipwell, began fundraising for the \$25,000 needed to secure a consultant that would work with the broader community and sporting groups to develop a master plan.

"It is imperative that we take action now to ensure our youth have opportunities to play sport locally and be involved in recreational pursuits into the future" Mr Hipwell said.

"Our aim is to develop a Community Hub at the Recreation Reserve which will allow all community groups and sporting clubs to have access to state of the art facilities and support a variety of participation which is vital for healthy communities" he further added.

It is anticipated the redevelopment may take up to 10 years to fully reach fruition. Mr Hipwell said the Stanhope community has been supportive of the project and very keen to provide input, while Brett Flavell and Fraser Neele from the Campaspe Shire Council have been instrumental in guiding and consulting with the working party.

"Local sport and community groups chipped in to raise the money needed to take this next step of fully formalising the master plan and that's a huge sign of local buy-in. We appreciate the help and assistance from council as well. The community consultation process is vital to ensuring we get this right at the outset" he said.

The survey can be accessed online <https://www.surveymonkey.com/r/StanhopeResMP> or in paper format from the Stanhope Post Office and closes on Sunday 10th June 2018.

Cuppa for Cancer

Throughout the month of May, Carol and Ingrid, part of the Saturday morning coffee ladies, in conjunction with Jenna and Vicki at Stanhope Café Takeaway have held four coffee mornings to raise funds for the Anti-Cancer Council. A portion of each coffee sold added to the funds. A raffle was conducted and altogether the large sum of \$1,300 was collected. Vicki and Jenna made a presentation to Carol and Ingrid on the final morning thanking them for all their hard work. A great effort and many thanks to all who joined the party on one or all of the Saturdays.

Stanhope Lions Club News

The Stanhope Lions Club had a break-in recently at the Lions shed at the Stanhope recreation reserve. Our 7.5hp Crommelins generator was stolen. This equipment is used to help raise much needed funds to assist local organizations and needy families. Any information regarding the stolen generator would be appreciated. As a small club of 8 members it would be a massive task to replace this generator. Allan McGrath (Secretary)

Stanhope Fire Brigade News

As some of you may have noticed there is currently a Big Red Container sitting at the Rec Reserve.

This container is actually a CFA Live Fire Training Prop. We have been extremely lucky, with help from the Waranga Group of Fire Brigades to be able to house this Prop in Stanhope for a 4-week period. We are tremendously happy and excited that we have been able to get this opportunity. These props are shared across the entire State so for Stanhope to get one is very humbling.

The Prop opens up to display a 'house fire scenario' and incorporates live fire using LPG. Having this Prop allows local Brigades to be able to train with Live, Hot fire locally rather than having to travel to either Huntly or Wangaratta Training Grounds.

If you see us training on it, I do welcome you coming down to have a look however you will be required to keep your distance for obvious safety reasons. Please follow the directions of the OIC at all times, and don't come into the training area.

Lots of interesting services and goods such as meal vouchers, wine, farm produce and services, homewares, a variety to interest farmers and townsfolk alike. Hot meal available for everyone on the night.

It's been a good season so far, having only lost one game to Tallygaroopna. Reserves are unbeaten at this point in time and are on top of the ladder as are the Under 18's who haven't lost a game.

The netballers are also having a great year. We had an excellent night at the Hypnotist night with 90 people attending and a lot of fun and laughs through the evening.

KDNFL interleague game at Colac on May 19th was coached by local Mark Patten and they were unsuccessful and lost by 42 points. Local players from Stanhope who played were James Fraser, Craig Emmett, Stewart Trevena and Daniel Flynn. The Under 18's were coached by Dean Wileman (Stanhope under 18's coach) they lost by 13 goals.
