

Beginner / Intermediate Drum Lesson

Week of March 23, 2020

1. Use proper hand position, sticks should strike at about the same spot and rebound up. Don't let your sticks be "stuck" to the drum pad and don't let your sticks come up too high. Repeat as many times as you need.

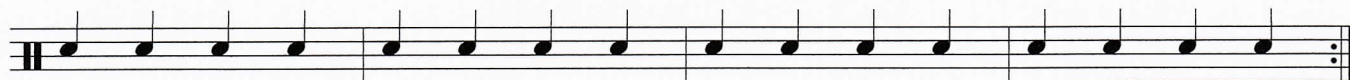

Right Hand

Left Hand

Right

Left

2. Use the same directions as number 1, but now alternate right and left hands.

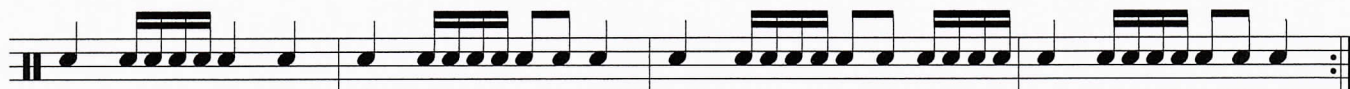

R L R L continue to alternate hands

3. Review of quarter and eighth notes. Remember to alternate your hands. Finish writing in the counts.

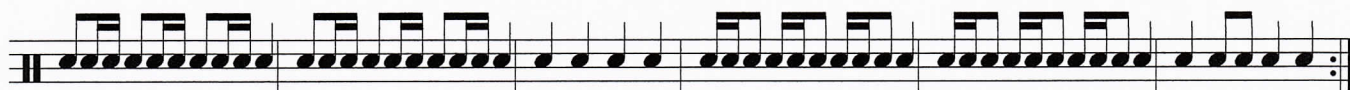

1 2 + 3 4 _____

4. Adding sixteenth notes to our review. Finish writing in the counts.

1 2 e + a 3 4 _____

5. Eighth and sixteenth note combinations. Finish writing in the counts.

1 + a 2 + a 3 + a 4 _____

1e + 2e + 3e + 4 _____

6. Putting it all together. Write in the count if needed.

7. Rock beat with cymbal and snare.
