Palms Land Approved for Park Use

PALMS—The City Council has formally approved for condemnation 4.57 acres at Overland Ave. and Dunleer Drive for park purposes.

The action was requested by the Recreation and Park Commission. Marjorie H. Rainey of 2950 Overland owns the property.

Acquisition by the city will end a struggle between Rancho Park and Palms civic groups for a recreation facility in its own immediate area.

City officials picked the Overland-Dunleer property over an Overland-Rose Ave. site because of costs involved.
