

# **Contract Let for Conversion of Palms Park**

**PALMS**—A \$20,448 contract for alteration of three structures in Palms Park, 2950 Overland Ave., has been awarded to a contractor by the Los Angeles City Recreation and Park Commission.

The project will be financed with funds from the 1957 recreation and park bond fund approved by voters.

Plans call for the conversion of the former estate's spacious residence into a community clubhouse and the remodeling of two smaller structures.
