Model Yacht Regatta

It will be teacher-student sailing at Cheviot Hills Casting Pond this month.

Officially, its the 63rd Annual Model Yacht Regatta sponsored by the Los Angeles Unified School District. Unofficially, its the day when teachers get to play alongside the kids while several hundred 5th and 6th-graders race their home-built model yachts and show grown-ups how it's done.

The event will cast off at noon, May 17, at the pond, 2615 Motor Ave., Cheviot Hills.
