

Bobby Riggs in Title Net Play

Bobby Riggs, 18-year-old Franklin High School boy, seeks his second local tennis crown in two days this afternoon when he plays Elmer Griffin for the county singles championship on the court of the Bath and Tennis Club in Chevlot Hills.

Riggs was crowned Southern California interscholastic titlist yesterday at Fullerton. He is the national junior champion. Griffin, twenty-two years older than his foe, won the California State singles crown fifteen years ago.
