

REDLANDS SOCIETY

By RUTH SCHANDORFF

Former Resident of Redlands Marries in Laguna Beach Rites

Miss Evelyn Westerberg, daughter of Dr. and Mrs. L. S. Westerberg, formerly of Redlands, now of Dana Point, and Samuel J. Hoover of Longoc were married recently in Laguna Beach.

Dr. Westerberg was director of the school of education at the University of Redlands.

The rites were read in the Community Presbyterian church, before an altar of white candles. The bride, who was given in marriage by her father, wore a white satin gown with a veil caught to a halo fashioned of seed pearls. Her bouquet was of stephanotis and white orchids.

Matron of honor was Mrs. Herbert L. Hubbard Jr., sister of the bride. Miss Minnie Belle Hoover, sister of the bridegroom, was bridesmaid. Best man was Donald Stockard and Herbert Hubbard and Ralph Westerberg served as ushers.

At a reception following the ceremony, Mrs. Mary Newton Keith of Redlands and Mrs. William W. Parker of Laguna Beach presided at the table. They were assisted by Mrs. Lloyd Wall of Dana Point and Miss Betty Woodfin of Santa Barbara.

Mrs. Hoover attended Redlands schools and was graduated from Santa Ana Junior college. She also attended Santa Barbara college, and is now employed in the business office of the Santa Barbara clinic.

Mr. Hoover was graduated from Santa Maria Junior college and served three years in the U.S. Air force. He will continue his studies at the University of California at Santa Barbara.

Richard White Takes Connecticut Bride

Richard M. White, son of Mr. and Mrs. William E. White, 1680 Ford street, Redlands, recently took as his bride Miss Beverly Robbins, daughter of Mr. and Mrs. A. W. Robbins of Plainville, Conn.

The Episcopal church of Our Saviour was the scene of the formal, evening ceremony. The bride was gowned in white with a fingertip veil of white, and was given in marriage by her father.

After a reception following the ceremony, the couple left on a wedding trip to Vermont, and will make their home in Redlands.

Mrs. White was graduated from Connecticut schools and is a student at the University of Redlands, where she is majoring in music. She plans to attend the university one more year.

Mr. White was graduated from Redlands High school in 1943, and served in the Army for one year. He was a member of the National Air guard, and has been employed at the Twentieth Century-Fox studios.

Terry V. Higdon Are Surprised at Shower

A surprise miscellaneous shower was given Wednesday evening by Mr. and Mrs. Richard Alwerth and Mr. and Mrs. Tom Maxfield, for Mr. and Mrs. Terry V. Higdon, who were married recently.

After the honorees found their gifts at the Maxfield home in Redlands, the group enjoyed a wiener bake and an evening of games at the Santa Ana wash.

Those attending were Mr. and Mrs. Terry Higdon, Mr. and Mrs. Lloyd Patterson, Mr. and Mrs. Robert Faucher, Miss Pauline Sargent, Paul Mitchell, Miss Bernice Bryson, Ted Maxfield, and Robert Lockwood.

Duck Dinner Given For Mrs. J. Wilson

A duck dinner given Wednesday evening by William J. Doell, 23 Kendall street, Redlands, honored Mrs. John Wilson on her birthday.

The affair was attended by 16 friends. A display of flowers and a large birthday cake centered the table.

Those present were Mr. and Mrs. John Wilson, Mr. and Mrs. Paul Meines and Barbara, Mr. and Mrs. E. L. Amold and Pete, Mr. and Mrs. John McKiegan, Mr. and Mrs. Lowell Hauser and Johnny, Mrs. Minnie Hauser, Miss Terry Ann Alvey, and Lee C. Johnson.

Mission Cub Scouts Enjoy Wiener Bake

Cub Scout pack No. 7 of Mission school, near Redlands, enjoyed a wiener bake with families last night in the wash on Mountain View avenue.

Games were enjoyed by the Cubs, and plans were made for fall activities.

Contemporary Club President Announces Yearbook at Press

Mrs. Percy Hicks, president of the Redlands Contemporary club, has announced that the club yearbooks went to press this week, and should be published by the early part of September, to be ready for the first club meeting.

In charge of the book is Mrs. Paul Wilson, head of the publications committee. It will include about 50 pages of information, such as names of members and officers, committees, and programs for the coming season.

The by-laws, which were changed during the last club year, have been brought up to date, and will be printed with the amendments. Membership of the club includes over 500 active members, and 28 winter and non-resident members. There will be no associate memberships.

The department of information, under the direction of Mrs. L. E. Mitchell, is being stressed in the book. Programs will include three luncheons and a Christmas bazaar. Additional information will include the president's message, federation information, past presidents, special departments, report of the treasurer, club awards, standing rules, pages devoted to the evening auxiliary and Junior club women, club songs, and club emblems.

Miss Marty Beaver Honored at Luncheon

An informal luncheon given by Miss Janet Butler at the home of her parents, 1594 West Yucaipa boulevard, Yucaipa, honored Miss Marty Beaver, daughter of Dr. and Mrs. M. G. Beaver, Mariposa drive, Thursday afternoon.

High school classmates of the honoree numbering 15 were present to honor Miss Beaver, who was graduated from Redlands High school this summer, and who is leaving to enroll as a freshman at Stephens college, Missouri.

Centering the table was the Redlands high bulldog mascot surrounded by blue and white pom-poms. Also used as decorations were white candles with blue streamers. Several gifts were presented to Miss Beaver.

Present were Miss Shirley Gair, Miss Eleanor Stewart, Miss Patti Smith, Miss Carolyn Holcomb, Miss Beverly Whitmore, Miss Pat Conklin, Miss Lois Deshler, Miss Gay Gist, Miss Betty Dawn Neil, Miss Jeanie Forsman.

Invited but unable to attend were Miss Betty Hentschke, Miss Marianne Lewis, and Miss Evadene Dahl.

Yucaipa Girl Scouts Camp Out Overnight

An overnight campout at the Fallsview public campground in Mill Creek canyon was enjoyed recently by 15 members of Yucaipa Girl Scout troop No. 9.

Activities included swimming in the plunge, hikes to the falls, and other points, and handicraft sessions. Mrs. Mildred Rous was leader, assisted by Mrs. Pauline Alford and Mrs. Lee Ruth McKenney.

Girls included in the party were Louella Alford, Berta Allen, Norma Craig, Dorothy Dickason, Kathryn Green, Catherine Hyde, Mary Jones, Dorothy Kessler, Verla Luebbert, Jody McKenney, Bonnie Lee Swain, Melva Lou Smith, Dolores Wyatt, Susan Sutt, and Bonnie Smoot.

Methodists Enjoy Covered Dish Supper

Members of the Redlands First Methodist church junior high M. Y. F. enjoyed a covered dish supper and boating Wednesday evening at Fairmount park in Riverside.

Those present were Ted Schowalter, Beverly Cox, Ray Wheaton, Donna Manning, Barbara Wheaton, Louise Wheaton, Mr. and Mrs. Elbert Hoffman, and Mr. and Mrs. Robert Knight.

Phone Company May Omit its Dividend

SAN FRANCISCO, Aug. 23 (AP)—A Pacific Telephone & Telegraph Co. official said today that the management of the company will recommend to the board of directors Sept. 4 that the company pass common stock dividends for the first time in 20 years.

The official, Vice-President and Comptroller S. W. Campbell, made the statement before the California public utilities commission, from which the company seeks authority to increase rates in California by \$30,000,000, incorporating a \$10,500,000 interim emergency increase already granted.

VALUATION OF CITY \$16,190,000

Amount Would Bring Redlands \$307,881 Taxes

Council Raps Policy Of Reserving Seats At Bowl Concerts

New net assessed valuation of the city of Redlands is \$16,190,000, which will return a total of \$307,881 in taxes if 100 per cent collection is affected, City Clerk Harry Whaley reported to the city council yesterday.

Whaley said the delinquency in Redlands was less than 1 per cent last year and that it is hoped that it will be less than 3 per cent next year.

PROTEST POLICY

In an adjourned session the council also authorized payment of \$1,500 in tax funds to the Community Music association with the "observation" that the council unanimously frowned on the association policy of reserving seats at the concert for those who have purchased memberships.

Inasmuch as the bowl is a community affair, partly supported by city tax funds, it is felt that reservation of large blocks of seats is not preferable, and the council will request that the policy be discontinued next year.

The council favors the policy of selling memberships to the bowl as a method of raising funds, but does not believe that the membership should specify that the holder is entitled to a reserved seat. Memberships have been sold for \$1 and up.

PATRONS TURNED AWAY

At a recent concert hundreds of persons who purchased \$1 memberships were unable to obtain seats despite the fact that the entire bowl had been reserved for membership patrons.

The council qualified its ruling, however, by agreeing that small blocks of seats could be reserved for groups of visiting artists or delegations of out-of-town patrons.

Mr. Whaley also reported to the council that cost of the 100 per cent "prior service" purchased by the city on its retirement fund will be reduced this year from approximately \$17,000 to \$11,640.

BUILDING REPORT

The council accepted the annual report of the building inspector showing that 838 building permits had been issued during the fiscal year for a total of \$1,640,108 in proposed construction. Fees amounting to \$9,336 were collected on the permits.

The council authorized Mayor Maurice Clapp to sign an agreement with the state division of highways for a proposed \$200,000 expenditure for repair and maintenance of state highways within the city—\$16,000 of which is to come from state gas funds and the remainder from the city's general fund.

At the instigation of Mayor Clapp the council also authorized purchase of \$25,000 worth of insurance on the city—uninsured heretofore. Fire Chief E. R. Thomas recommended the coverage inasmuch as combustibles inside the building causes a potential \$100,000 fire hazard. The building itself is fireproof.

At the same time the council authorized calling for bids on insurance coverage for the city's fleet of motor vehicles.

The council also went on record authorizing Building Inspector Oscar Christensen to inform the Olive street market that the city will enforce the 25-foot set-back law. The firm is reported to have installed a vegetable stand too near the street.

Fired From Life Job, Claims Bookkeeper

LOS ANGELES, Aug. 23 (AP)—Bookkeeper Donald McLeod, 39, today filed suit for \$85,800 he said he had coming because he left a job in St. Paul, Minn., to take a guaranteed \$75 a week for life with the Mort Summit Supply Co. here only to be fired without cause.

Unsuccessful Hunt For Atcheson Ended

HONOLULU, Aug. 23 (AP)—The Hawaiian sea frontier abandoned its search for Ambassador George Atcheson Jr., and four other missing men late today as the Army's air inspector left for Guam in search of a clue to why their plane crashed at sea last Saturday night.

MOST TRAVELED PILOT

NEW YORK (AP)—When Capt. Donald Anderson, 36-year-old pilot for British Overseas Airways Corp., flew from La Guardia field to London for his two-hundredth crossing of the Atlantic ocean he became a member of an exclusive but unofficial club.

Youth Centers Convention to Be in Redlands

SAN DIEGO, Aug. 23 (AP)—Jack Harris of Long Beach was elected president of the Southern California association of Youth Centers and Councils at the organization's annual meeting today.

Redlands was chosen for the 1948 convention.

Other officers are Jim Sundell, Long Beach, vice-president; David de Haven, Hollywood, treasurer; Janet Krantz, Chula Vista, editor; Janet Mc Tavish, Long Beach, secretary; Annette Mackley, Long Beach, corresponding secretary, and Ted Oakie, Long Beach, assistant editor.

Yucaipa Kiwanis Club Tours Mill

Charter Night to Be Held Sept. 6

Members of the Yucaipa Kiwanis club accompanied by president Tony Gazzo Friday night were taken on a tour of the Fontana Steel mill in Fontana.

In preparation for the scheduled charter night Sept. 6, the club is engaged in a series of educational meetings. Last week, Glen Adams a veteran Kiwanian of the Redlands club attended the meeting and answered queries regarding the organization and its purposes.

Secretary Martin Barrett outlined the progress of two board meetings and sketched requirements of Kiwanis International regarding attendance and membership. Club by-laws are being prepared for individual members.

A. W. Lund, chairman of the charter night committee, said arrangements had been completed for the serving of a barbecue meal to an expected 450 Kiwanians and their wives on September 6 when the local club officially receives its charter. An interesting program has been prepared and in addition Yucaipa will be the scene of the annual Division 6 business meeting and election of officers, Kiwanians from 12 clubs in Southern California and Nevada are expected.

Lay Off Those Hens, Fido, It's Contrary to Law

Is your dog fond of tormenting cows, horses, burros and chickens? If he is, watch out—

For in a weighty legal decision—aided by an analysis of the civil code and plenty of precedent—Judge H. O. Harrawood of Redlands Justice court has concluded that if your dog makes a general nuisance of himself outside his own bailiwick somebody—anybody—has a legal right to polish him off—but dead.

The civil code specifically applies to dogs who inflict a "dog's life" on chickens—even though said chickens are out for a stroll along a country road. A dog's rights end when he sets a paw off his own property.

And another thing. The C. C. no longer allows your pooch the "first bite" to prove he is vicious. Outside his own property a belligerent attitude may earn him a 22 slug in the vitals. All this shouldn't happen to a dog—but it could.

Labor Paper Defies Taft-Hartley Law

SAN DIEGO, Aug. 23 (AP)—The A.F.L. central labor council's weekly "Labor Leader" today stated it was defying the Taft-Hartley labor act by "expenditure" of money in publishing an editorial urging the defeat in 1948 of Representative Charles K. Fletcher.

"The Taft-Hartley act," the editorial stated, "repeals the guarantee of a free press as far as the labor movement is concerned—but we don't believe the boys on the other side can make it stick. We earnestly invite them to try it, though."

L.A. Man Seeks to Get Gambling Equipment

SAN DIEGO, Aug. 23 (AP)—Henry Paronelli of Los Angeles, who paid a \$100 fine several days ago for ownership of gambling equipment seized in the Hotel Del Mar garage, today sued Sheriff Bert Strand for return of a roulette wheel, three dice tables and two blackjack tables, which he valued at \$5,500. Strand said he would hold the property until a court order is issued.

S.D. Academy To Be Reopened For Fall Term

Fire-Damaged Loma Linda School Is Ready for Classes

With the fire damaged Loma Linda academy virtually restored, a record enrollment in both the academy and grade school is anticipated with the opening of the fall term in September, Paul E. Limerick, principal, announced.

The old building was razed by fire last March. However, the new building is a great improvement over the old one, the principal said. The classrooms are larger and better arranged, and the new locker distribution will relieve congestion in the corridors.

NEW CAFETERIA

A new building is also under construction for the cafeteria, which was formerly housed in the basement. This building will have an enlarged seating capacity and many new efficiency conveniences.

Students planning to enroll for the coming school year are urged to send in application blanks in time for arrangements to be completed for their admittance, and new students of the upper grades in addition will need to furnish references with their application blanks.

Registration day for all elementary students is Sept. 8, and for academy students Sept. 9. Chapel exercises at 8:30 a.m. on Sept. 10, will formally open the fall semester.

"We look forward to a good school year," said Mr. Limerick. "Total enrollment last year was 442 in all grades, and we see no indication yet that it will be any less this year," he said.

Helpful Driver Finds Wrong Gear, Lands on Sidewalk

Investigation by Redlands police of a car on the sidewalk near Orange and Central streets—resting cozily against a lamp post—disclosed no particular damage to the thoroughfare, light standard or the car.

But the driver, John V. Donovan, 73, was slightly upset as he told the officers that the registered owner of the vehicle, Mildred Rodgers Burns of 215 Orange street had told him to drive the car around the block. The car was parked at the curb, and when he started to drive away he guessed he found the wrong gear, the officers reported.

Floating 'Body' Fools Neighbors

EL CENTRO, Aug. 23 (AP)—Neighbors told deputies they had seen Mrs. Roy Powell leap into an irrigation canal and float downstream.

The officers sought the body in the ditch without success, and then went to her residence where they found her cooking dinner.

"I just swam down the canal to visit a friend," she explained.

Sylvan Plunge Is Scene of Aquatic Class

The attractive Sylvan park plunge at Redlands is to be the scene of Red Cross aquatic classes which will specialize for the next two weeks in life-saving technique. The classes, for both youths and adults, will be held week-days until Sept. 5.

RED CROSS TO LAUNCH LIFE SAVING CLASSES

Red Cross aquatic life-saving classes for both young people and adults will start tomorrow at Sylvan park plunge in Redlands and continue through Sept. 5, the city recreation department announced.

Classes will be held each week morning from 9 to 11 a.m. There will be no admission charge to the plunge for the participants, according to Clara Mae Clem and Wayland Reynolds, Sylvan park and Red Cross swimming instructors.

The life-saving classes will bring to a close a successful aquatic program which has been in operation since June 23. The Red Cross and

city recreation department have coordinated the summer swimming activities resulting in a service to swimming enthusiasts which has developed aquatic skills in nearly 200 young people and adults—most of whom have received recognition awards from the Red Cross.

Over 100 have participated in
