

Nittany Valley Figure Skating Club Beginner Skating Program

Are you a Basic Skills skater looking for additional practice or lesson time? The Nittany Valley Figure Skating Club wants to help!

Basic Skills Skaters in Basic 5 and above will be eligible to skate on the last ½ hour of Nittany Valley Figure Skating Club ice time on Sunday afternoons from 3:15 - 3:45 PM. There will be a member of the Penn State Pro Staff on the ice to help you learn how to skate safely with other more experienced skaters during the session. The coach will not be providing a lesson, but rather helping beginner skaters learn how to watch out for others and learn the “traffic patterns” on a club ice session. You may also schedule a private lesson with your own coach during this time if you wish.

Total Cost: \$110

This includes **\$55** to join the Nittany Valley Figure Skating Club and United States Figure Skating as an introductory member until June 30, 2018. You will have all other membership benefits of the NVFSC, including a subscription to Skating magazine, and an invitation to the end of year club picnic.
