

Would You Still Love Me

If I've made some mistakes;
Or fell from Your grace;
Or turned and walked away;
Would You still love me?

If my life is such a mess;
And my heart is such a wreck;
And I'm no longer my best;
Would You still love?

If I am filled with guilt and shame;
And I am only the blame;
And I call upon Your name;
Would you still love me?

You say with such confidence;
That You're a God of a second chance;
And that You'll hold me in Your hands;
And show me what Love is.

You'll erase my mistakes;
And cover me with grace;
Just run towards Your embrace;
Yes, You still love me.
You still love me.
