Client Responsibility for Payment Policy

Payment for sessions should take place at the beginning of the counseling session. A receipt will be provided in the event you would like to submit your bill to your insurance company for possible coverage of these services. *It is the responsibility of the client to pay for any sessions that are canceled or missed without 24-hours notice prior to that missed appointment.* Clients assume responsibility for full session fee for missed appointments if 24 hour notice is not given. This policy allows Jessica Davidson to maintain consistent billing practices with all clients and requires a commitment by the client to have a financial responsibility tied to the counseling relationship. If you have any questions about this policy, please discuss them during your opening session.
