Re: New Catalog/Services

Dear Valued Customer,

Enclosed is our new updated price catalog. Please take a moment to review our new policies, and to look at some of the new items we now carry.

While we try to hold price increases to a minimum, manufacturers are continually raising prices two or three times per year. We will notify you as soon as possible of any price changes.

X-L Supplies is constantly changing to keep up productivity, and to stay on the edge of competition. We are constantly growing to better serve you and your customers. While we are proud of our continued growth and development, we know that serving you is not a static process. We are committed to listening to you and to being leaders in the industry. Your comments on our product line, quality, pricing and services are always welcome and strongly encouraged.

Thank you for your time.

Sincerely & With Thanks,

Dan St. Paul  
President
