

The Three Trails Tractor Club was organized in March 2016, and was incorporated in the State of Missouri on March 28, 2016. The Club's mission statement is to promote the interest and education of the public in the preservation and restoration of antique tractors, their accessories, lore, literature, toys and memorabilia. Some of the Club's activities will include, but are not limited to, a benefit tractor cruise for Drumm Farm for children, parades, tractor shows and other activities throughout the year. We will have four (4) quarterly meetings throughout the year.
