New Social Enterprise Programs!

Grants of \$10,000.00 each, will be awarded to four organizations. These select nonprofit partners will each forge a new revenue arm while they train their clients with job readiness skills. They will be taking a series of organizational development classes together in our Center for Nonprofit Excellence, beginning in March. Our new agency partners in this venture are Coalition for Compassion and Justice, Steps to Recovery, the Yavapai Food Council, and The Launch Pad. Stand by for some great stories!

Don't pay to file your taxes

If your household earned less than \$66,000 in 2017, you can file both your federal and state returns for free using MyFreeTaxes.com. This is the only free, national, online tax filing product offered by a nonprofit. United Way has made it available to over 100 million U.S.

taxpayers as part of our fight for the financial stability of every person in every community.
