

NCAOA Membership Benefits

NCAOA members will have access to the following benefits:

Advocacy:

NCAOA Lobbyist who advocates for senior focused legislation at the General Assembly

Legislative updates and advocacy alerts on pending legislation impacting seniors

Scheduled Advocacy Days to lobby the General Assembly on senior issues

Vote on issues to be included in the NCAOA Legislative Agenda

Training:

Member discounts to attend the only State Aging Annual Training Conference in North Carolina

Learn from leading network professionals at training conferences

Member discounts to attend Aging Boot Camps which provide your staff a comprehensive overview of the aging network and offer best practices to bring back to your organization

Marketing and Communication:

Receive member-only electronic updates and newsletters which highlight urgent advocacy and legislation updates, network news and training opportunities

Share your organization news to be highlighted in the NCAOA member spotlight in the electronic newsletter distribution

Access to member-only press release templates and distribution. You have news? NCAOA will distribute your press release to media outlets in your area to maximize coverage

Award Opportunities:

Member-only opportunities to become the recipient of one of the NCAOA Excellence in the Field of Aging Awards presented each year at the Annual Training Conference

Networking:

Networking opportunities with like-minded professionals in the aging network through the Annual Training Conference, Boot Camps and other NCAOA activities

Access to the NCAOA membership directory to connect with other members

Develop relationships with members that have similar jobs for ideas and guidance when needed

Partnerships:

Complimentary membership to the North Carolina Senior Center Alliance with a paid organizational membership to NCAOA

Access and updates from partner groups such as the North Carolina Senior Center Alliance, North Carolina Meals on Wheels Association, NC AIRS, NC Transitions, Coalition on Aging
