TWO WEEKS LEFT TO PASS
MISSOURI STANDS FOR THE UNBORN
ACT

With two weeks left in the legislative session, there is still time for the General Assembly to pass **HB 126**, sponsored by **Rep. Nick Schroer (R-O'Fallon)**, the comprehensive pro-life bill also referred to as the "Missouri Stands for the Unborn Act." This bill contains numerous pro-life protections, including a ban on abortions at eight weeks and a trigger ban outlawing abortion in Missouri if *Roe v. Wade* is overturned. Next week, be on the lookout for an MCC Action Alert asking you to contact your senator to ask him or her to take up and pass this important piece of pro-life legislation.
