Preface – About The Book!

This book 52nd is The Sequel to my earlier books defining all my books. With additional 10 books to date – total forty four now - with this one as 52nd!

The book can stand on its own to describe all my 44 books to date! 6 books on Arab Management, 3 on Road Safety, 4 My Autobiography (The Story of My Life!) - 12 on my Columns Writings ‘Between Us Only!’ and ‘At My Workplace!’ and the rest on assorted topics!

- **It is hard to beat a person who never gives up! – Babe Ruth**
- **Writing is the only profession where no one considers you ridiculous if you make no money! – Jules Renard**

The book is a bird’s eye view all about all my book and from all my varied articles to date! The books produced here are in main part linked to me as **Majid** aka as *Magic – Magic Man* as the pseudonym I used in ‘The Forums’! Also interestingly the article – Why Do They Call You Magic? Also Who Is Majid? And My Epitaph! The articles are also about My Family and My Late Parents – Peace Be Upon Them!

I hope you will like reading about me!

People were always asking me – Why don’t you write a book about yourself and all your books at one stop centre? The story of your life? About your books!

I then decided to accept the challenge and write this book. Like the other books – I have tried to be as factual as possible – and with my usual style of writing of speaking to you directly from my heart – and to be as sincere, genuine, frank, forthright as possible – so that this book can not only be used in Research works – but as a Guide and Beacon for the children, grandchildren, great grandchildren – and future generations by the Grace of Allah God – Ameen Amen.
