YOUR DESIGNATED TFWC DISTRICT LEADS CHAIRMAN

GFWC LEADS (Leadership Education And Development Seminar)

OBJECTIVE:

To identify GFWC members who have the potential to assume leadership positions beyond the club level and provide them with the skills, confidence and commitment to become future Federation leaders.

Leadership is the key to building membership, preserving organizational continuity, enhancing image and identity, and maintaining sound fiscal policies. The GFWC Leadership Education And Development Seminar (LEADS) is designed to develop, nurture and sustain a broad and deep pool of capable GFWC leaders well into the future. The program was initiated in 2002 for the purpose of finding, training and encouraging clubwomen at the grassroots level to step up, pursue and accept leadership opportunities at all levels of Federation.

"The LEADS program is an invaluable benefit of belonging to GFWC. The exchange of ideas among participants and the camaraderie that developed was contagious....Now if you ask any of the LEADS participants to serve in a leadership role, you will hear an enthusiastic YES."

- Presentations on conflict resolution and mediation; public speaking; time management; parliamentary procedure
- Explanations of GFWC resources, programs, materials, assistance
- Discussions on GFWC policies, protocol, parliamentary law
- Tips and techniques for pursuing leadership opportunities

"The LEADS program inspired me to be more powerful and it breathed fresh life into me. I am more confident, enthusiastic and energized about serving my club and state federation than ever before."
