A Collect for Club Women

Keep us, oh God, from pettiness;
Let us be large in thought, in word, in deed.

Let us be done with fault-finding
And leave off self-seeking.

May we put away all pretense
And meet each other face to face,
Without self-pity and without prejudice.

May we never be hasty in judgment
And always generous.

Let us take time for all things;
Make us to grow calm, serene, gentle.

Teach us to put into action our better impulses,
Straight forward and unafraid.

Grant that we may realize it is
The little things that create differences,
That in the big things of life we are at one.

And may we strive to touch and to know
The great, common human heart of us all.

And oh Lord God, let us forget not
To be kind!

—Mary Stewart
April 1941

Thank You, Ladies!

May I say “thank you” to all you ladies who were so co-operative when I pleaded for information? Without you, this project would not have been completed as quickly and thoroughly.

It has been my pleasure to work on this GFWC Texas Directory, and my hope is that you will use this as your guide in your GFWC/GFWC Texas activities.

*A WORD
FROM
THE PRESIDENT*

Dear Club Members:

Welcome to the 2016 - 2018 administration. We started off with a big bang in Granbury during our Spring Convention, and we will be working hard and playing hard for the next two years. I am so excited about bringing back the Traveling Team! It is so important for all the Executive Committee to meet the membership of our great organization at all levels. I was so excited during our GFWC Texas installation to include the club presidents in the processional. As we all know,

without our club presidents there wouldn't be districts, and without our districts, we would not have a state organization.

During the last administration it was emphasized that working together we can show concern and deeply appreciate the involvement of our membership. I believe that this was accomplished, and I am working to continue Sandi's legacy of bringing joy back to our federated friendships. Our members are bonding and really feeling the sisterhood that GFWC brings us.

We will be working to raise funds and to bring awareness regarding the domestic violence and child abuse in our society. My president's project is Canine Companions for Independence. The joy on the faces of the recipients of these special dogs is priceless. We will also be recognizing our Veterans in some special ways. There is nothing more rewarding than to see the face of a Veteran when you thank them for their service!

We must work hard to increase our membership. I believe that the way to pioneering our future is with our Junior and Juniorette Clubs. Contact your local junior high and high school counselors and get these ladies involved in forming clubs. When you begin to form your Juniorette club, you need to understand that these young ladies will have to have someone bring them to their meeting; and what better way to begin a Junior club, but with the mothers of the Juniorettes. Every member needs to make a special effort to invite at least one of your friends or acquaintances to your club meeting.

I am looking forward to a great two years, and with your help and participation, I know that GFWC Texas will accomplish our many goals!!

Sincerely,

Patti Poe

Mrs. Percy V. Pennybacker

The only president of the General Federation of Women's Clubs to hale from Texas. 1912-1916

TFWC DISTRICT PAST PRESIDENTS

1902-1960

Texas Federation of Women's Clubs was founded in 1897, joined GFWC in 1899 and by 1902 had devised a system whereby all of the clubs in the great state of Texas could be fairly represented. The state was divided into five districts and each of the five had its own governing body with district presidents serving as vice-presidents of TFWC.

As the organization grew so did the need for more districts. In 1915 a sixth district was added, followed by a seventh in 1923. With this addition the district presidents no longer served as vice-presidents of TFWC, but remained members of the Board of Directors.

An eighth district was added in 1936 and in 1960 the state was realigned to include 14 districts bearing the names Alamo, Capitol, Caprock, Heart of Texas, Key, Magnolia, Mesquite, Pioneer, San Jacinto, Santa Rosa, South Texas, Top of Texas, Trinity, and Western.

With the dissolving of Heart of Texas and Santa Rosa Districts in 2004 and 2006, the number of districts in Texas dropped to twelve. A complete listing of district presidents serving after 1960 can be found in the individual district directory pages.

CAPITOL DISTRICT PRESIDENT'S SPECIAL PROJECT

The Leukemia & Lymphoma Society (LLS)

Cure leukemia, lymphoma, Hodgkin's disease and myeloma, and improve the quality of life of patients and their families.

LLS exists to find cures and ensure access to treatments for blood cancer patients. We are the voice for all blood cancer patients and we work to ensure access to treatments for all blood cancer patients. As there are no means of preventing or early screening for most blood cancers, the LLS research agenda is focused on finding cures. LLS drives research in areas of unmet medical need, and helps to bridge the gap between academic discovery and drug development. LLS identifies and funds the most promising blood cancer research projects and forges partnerships with academic institutions, biotechnology and pharmaceutical companies to accelerate the development of new therapies.

CAPROCK DISTRICT PRESIDENT'S SPECIAL PROJECT

As Caprock District President, I chose the Genie Farley Harriman Home for Women and Children as my special project. This very worthwhile center located west of Levelland, Texas is devoted to helping women with children better their lives and insure a future that will allow them to live in a safe environment and provide a good home for their children. This center not only provides a safe home for the women and their children while the Mothers work toward a better future, it strives to help them reach their goals while teaching self-sufficiency and responsibility. The Harriman center is an impressive organization that serves an important and needed function in our society.

MAGNOLIA DISTRICT PRESIDENT'S SPECIAL PROJECT

Although the medical profession is making remarkable discoveries in curing Cancer, it still touches all of our lives every year. If not in our family, then in our friends and fellow club women. Many of Magnolia District club women are very active in local American Cancer Society Relay for Life campaigns. They also continue to support U.T. MD Anderson Cancer Center.

One of our GFWC newest partners is St. Jude's Children's Hospital. The Magnolia District President's Special Project will be collecting funds for St. Jude's Research. Not only is St. Jude one of the leading cancer research facilities but they also are leading in many other types of research.

My husband had to have a heart defibrillator implanted about 7 years ago. His device was developed, distributed and calibrated by St. Jude's research employees. So yes St. Jude's hospital holds a special place in my heart. The club that collects and/or contributes the largest donations will receive Special recognition at the Spring Convention each year of my tenure.

MESQUITE DISTRICT PRESIDENT'S SPECIAL PROJECT

Days for Girls International is a 501(c)3 non-profit organization that has as its mission, "Creating a more dignified, free and educated world through access to lasting feminine hygiene solutions," and has as its vision, "Every girl and woman in the world with ready feasible access to quality sustainable hygiene and health education by 2022." Every girl deserves education, safety and dignity during her menses. Without products, a girl can miss up to two months of education and opportunity every year and perhaps be exposed to sexual abuse in order to provide adequate hygiene products. Visit daysforgirls.org for more information as to how you and your club can help.

Donations may be given in monetary amounts or as in-kind donations.

Heart of Texas District Remembered

Because its members were unable to fill the leadership positions within the district, *Heart of Texas District* dissolved in 2004 and each remaining club was invited to affiliate with other districts. Two of those clubs, the DeLeon Shakespeare Club and the Literary and Service Club of Winters, chose to move their TFWC memberships to *Mesquite District*.

The Heritage Club of Comanche and the Comanche Study Club chose to join *Pioneer District*. Ozona Woman's League, San Angelo Woman's Forum, and the Wimodausis Club of Sterling City now call *Western District* home.

We do not wish to lose sight of the many contributions made by the women of *Heart of Texas*. Below you will find the listings of their past presidents and their administrations.

PIONEER DISTRICT PRESIDENT'S SPECIAL PROJECT

Pioneer Cares: The District president's special project is collecting donations for the Ada Carey Center and for other domestic violence centers around our district. We also plan to contribute to Canine Companions for Independence, our State Presidents' project.

The Ada Carey Center is a domestic violence program protecting victims from physical abuse, emotional abuse, psychological abuse or verbal abuse. They provide information on domestic violence statistics, signs and cycles of abuse, housing services, emergency services, legal and financial services, support groups for women, children and families. The Ada Carey Center through Mission Granbury is a non-profit, volunteer driven organization whose mission is to meet the critical needs of domestic violence victims through state and local collaborations.

Reports for this project should be sent to the district chairman for GFWC Juniors' Special Project: Advocates for Children Community Service Program.

**A BROKEN HEART.
A BROKEN SPIRIT.**

(CALL BEFORE HE BREAKS ANYTHING ELSE.)

If something about your relationship makes you afraid, break your silence and make the call that has helped thousands of Texans get safe. Abuse is never okay. You don't have to be silent. You're not alone.

Tribute to Santa Rosa District

Regrettably in 2006 Santa Rosa District disbanded due to the difficulty in securing leaders at the district level. They have long been a successful part of our Texas Federation. Several clubs have chosen to continue their affiliation with GFWC and TFWC by joining two other districts within the state.

The Adelphian Club of Crowell has become a member of Mesquite District and hopefully will continue its sponsorship of the Adelphian Juniorette Club. The Burkburnett Study Club of Burkburnett, The Amity Study Club and the Twenty-three Study Club of Iowa Park, and the Women's Forum of Wichita Falls have moved their memberships to Pioneer District.

We would be remiss if we did not acknowledge the many years of service invested by the women of Santa Rosa. They will be missed.

**SAN JACINTO DISTRICT PRESIDENT'S
SPECIAL PROJECT**

As President of San Jacinto District, t to me is the most important Special Project to me is the awful word, CANCER!

I belong to this special club, and I know of so many more who have been members longer than I.

Cancer is not a respecter of age, color, religion, or choice. It hits with a jolt!

Many years of research have led to new treatments which are now available, but there are so many people who have no help. Most do not keep appointments for check-ups. The medical check-ups are so very important, because cancer will creep up and strike. Many tests have been formulated for those 50 to 60 years of age, and these are not as difficult as in the past. PLEASE SEE YOUR DOCTOR. What is more important than your health?

To be a member of the "C" club, you must have or have had some form of cancer. I have been a member since 2012. I do not want any more of our GFWC family to be members of this horrible club. Please visit your doctor, see any specialists he suggests and have the tests required. It is important to see if you have any cancer cells in your body.

Celebrate your life, you have a choice!

**SOUTH TEXES DISTRICT
 PRESIDENT'S SPECIAL PROJECT**

The mission of St. Jude Children's Research Hospital is to advance cures, and means of prevention, for pediatric catastrophic diseases through research and treatment. Consistent with the vision of its founder legendary entertainer, Danny Thomas, no child is denied treatment based on race, religion or a family's ability to pay.

Unlike any other hospital, the majority of funding comes from individual contributions. And thanks to generous donors, families never receive a bill from St. Jude for treatment, travel, housing or food — because all a family should worry about is helping their child live.

Tribute to Top of Texas District

Regrettably in 2015 Top of Texas District disbanded due to the difficulty in securing leaders at the district level. They have long been a successful part of our Texas Federation. Several members have chosen to continue their affiliation with GFWC and TFWC by retaining their membership in the Past District President's Club.

We would be remiss if we did not acknowledge the many years of service invested by the women of Top of Texas. They will be missed.

Canine Companions for Independence (CCI) is proud of its long association with the GFWC, which has generously supported CCI for many years through its Home Life Department. Each year, Canine Companions attends the GFWC International Convention.

The GFWC includes more than 6,500 clubs in the United States and more than 20 countries. Its members support the arts, preserve natural resources, promote education, encourage healthy lifestyles, stress civic involvement, and work toward world peace and understanding.

Canine Companions is proud to have many of the GFWC chapters supporting our organization and mission. Thank you!

**TRINITY DISTRICT PRESIDENT'S
 SPECIAL PROJECT**

Canine Companions

For Independence

Having two friends who require dogs to help them in their daily lives and witnessing the profound lifestyle and quality of life improvement these two individuals experienced made the choice for my Special Project an easy one. Seeing an assistance dog and a service dog work first hand drove me to choose GFWC Partner Canine Companions for Independence for my Special Project.

WESTERN DISTRICT PRESIDENT’S THEME

Our clubs have a long and impressive history of serving in our communities, supporting great causes and nurturing our world. We founded many of our public libraries and have led the fight against domestic violence. As we celebrate the many successes of the work we have done and the causes we support, we shall also take on new challenges, new projects, and continue to grow our membership, sharing our vision for better communities by our service and leadership through our women’s clubs. We will also work to support our President’s special project “Canine Companions for Independence”.

WESTERN DISTRICT PRESIDENT'S SPECIAL PROJECT

The Western District President's Special Project is **St. Jude's Hospital**. St. Jude Children's Research Hospital is leading the way the world understands, treats and defeats childhood cancer and other deadly diseases. And families never receive a bill from St. Jude. Treatment, travel, housing and food is all paid for—because all a family should worry about is helping their child live. St. Jude continues the vision of its founder, Danny Thomas, that no child is denied treatment based on race, religion, or a family's ability to pay. By sharing knowledge freely and exchanging ideas openly, it inspires more collaboration between doctors and researchers worldwide, and, as a result, more lifesaving treatments for children everywhere. Treatments invented at St. Jude have helped push the overall childhood cancer survival rate from 20 percent to 80 percent since it opened 50 years ago. St. Jude is working to drive the overall survival rate for childhood cancer to 90 percent in the next decade

GFWC Texas Instructions Reporting Forms for 2016

Forms: The GFWC and GFWC Texas forms have been updated to reflect changes in partners at the GFWC level. Please note that there is only one GFWC chairman for each of the six GFWC Community Service Programs. All projects are reported to that chairman, including any projects with GFWC partners. Below is a list of who uses which forms.

A. Clubs: Deadline: February 1st.

1. Person preparing report: GFWC Texas Club Level Reporting/Entry Cover Sheet. Send to District chairman. Instructions are at bottom of form.
2. Club president: GFWC Texas Statistical Report Form: the club president completes this form and sends to District President. (See District President below for next step.)

B. Districts: Deadline: February 20th.

1. Chairmen: judge entries per club category. Complete GFWC Texas District Chairman Award List. Instructions are at bottom of form.
2. For Yearbook Cover Design, use GFWC Texas District Chairman Yearbook Cover Design Award Form.
3. President: summarize information from GFWC Texas Statistical Report Form submitted by clubs (see A 2 above). Submit a GFWC Texas Statistical Report Form with that information to the State President.

C. State:

1. Chairmen: Deadline: March 1.
 - a) Judge entries received from Districts per club category (see B 1 above). Complete GFWC Texas State Chairman Award List and follow instructions at bottom of form. Note: this is a report for Texas only and does not go to GFWC (see 1 b below for GFWC report.)
 - b) Complete GFWC State Award Entry Cover Sheet and send by March 15th to appropriate GFWC chairman. Instructions are at the bottom of form.
 - c) For Yearbook Cover Design, use GFWC Texas State Chairman Yearbook Cover Design Award Form.
 - d) State chairmen complete GFWC Club Creativity Award Entry Cover Sheet to Submit the most creative project by one club to your GFWC counterpart. Deadline: March 15th. Note: clubs do not complete this report, only the state chairmen complete it.
2. President: summarize information from GFWC Texas Statistical Report Form submitted by districts (see B 3 above). Complete the GFWC Statistical Form with that information and send to GFWC by March 15th.

YOUR DESIGNATED TFWC DISTRICT LEADS CHAIRMAN

GFWC LEADS (Leadership Education And Development Seminar)

OBJECTIVE:

To identify GFWC members who have the potential to assume leadership positions beyond the club level and provide them with the skills, confidence and commitment to become future Federation leaders.

Leadership is the key to building membership, preserving organizational continuity, enhancing image and identity, and maintaining sound fiscal policies. The GFWC Leadership Education And Development Seminar (LEADS) is designed to develop, nurture and sustain a broad and deep pool of capable GFWC leaders well into the future. The program was initiated in 2002 for the purpose of finding, training and encouraging clubwomen at the grassroots level to step up, pursue and accept leadership opportunities at all levels of Federation.

“The LEADS program is an invaluable benefit of belonging to GFWC. The exchange of ideas among participants and the camaraderie that developed was contagious....Now if you ask any of the LEADS participants to serve in a leadership role, you will hear an enthusiastic YES.”

Maryland LEADS participant

LEADS is held once a year on the day before the official opening of the GFWC Annual International Convention. It is a full day (8 am-5pm) of activities, including breakfast and lunch. The LEADS agenda may include:

- Presentations on conflict resolution and mediation; public speaking; time management; parliamentary procedure
- Explanations of GFWC resources, programs, materials, assistance
- Discussions on GFWC policies, protocol, parliamentary law
- Tips and techniques for pursuing leadership opportunities

“The LEADS program inspired me to be more powerful and it breathed fresh life into me. I am more confident, enthusiastic and energized about serving my club and state federation than ever before.”

Ohio LEADS participant

Each state federation is responsible for: promoting LEADS, distributing and soliciting applications from interested members, establishing a selection process based on standard criteria, and selecting one participant to represent the state. Participant information is forwarded to GFWC Headquarters by March 1.

TO APPLY: Copy and submit to the GFWC LEADS representative the LEADS Application Form found on the **reverse side** of this page.

FOR MORE INFORMATION: Request the LEADS Information Kit from the GFWC Materials Center.

GFWC is committed to supporting participation in LEADS by covering a portion of attendees' expenses including:

- Round trip travel to and from the GFWC convention city
- Portion of hotel expenses at official convention hotel
- Breakfast and lunch during LEADS program
- Discounted Convention meal charges

State federations may consider underwriting a portion of attendees' expenses. Participants are asked to be responsible for a portion of their expenses as an affirmation of their personal commitment.

“I have heard the GFWC Volunteer call and answered. I don't think I would have been as brave if not for LEADS.”
