

WHAT IS CONFEDERATE SOUTHERN AMERICAN?

by KIRK D. LYONS

Are you tired of Anti-Southern discrimination and bigotry directed at Southern people? Are you tired of being called a racist simply because you are proud of the Confederate Battle flag - the symbol of your ancestry and heritage?

The Southern Legal Resource Center (SLRC) is asking Southerners to stand up and be counted as "**Confederate Southern Americans**" on the **2020 US Census**. Question **#9** on the Census form asks for information on "Race." The SLRC suggests you **check "Other Race"** and in the space below **write "Confed Southern Am."** This will tell the Census that **your family National Origin was the Confederate States of America**, for four years a nation independent of the United States. Your spouse, may also so declare even if born outside the South. Those sympathetic to the Confederate Southern American Community may also so declare.

The Southern Legal Resource Center is a non-profit Legal advocacy group that defends the rights of the Confederate/Southern Community. Donations, tax deductible may be made to:
