Reconstruction, REPUBLICAN
STYLE

Own all factories! Own all land!
Own education! Own the minds
of future voters! Make happy
dumbed-downed Socialist Commies
out of school kids - keep 'em busy
with sex, make them scorn
God, the Trinity, marriage,
family - that honor thy Father &
Mother stuff. Make them think
the Constitution is just a "gd piece
of paper" - that my war was
fought to free slaves.
Make Southerners take
an oath to the Union.

On Karl Marx's Advice

to Eliminate Southern Culture,
I broke that stupid oath,
to defend the US Constitution.

I substituted the Communist
Manifesto for the US Constitution.

*by making the Constitution a
"Living Document."*

I levied Communist Income tax.

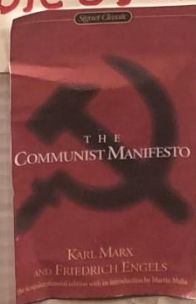

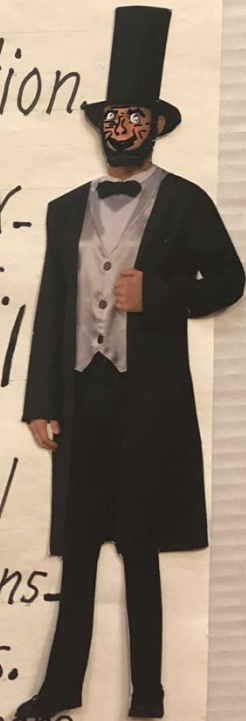

I started erasing inheritance rights.

I stirred racial hate. I confiscated all

property of Rebels. I wanted a
"Federal" Bank. I redistributed all
Southern wealth to good Republicans—
even the dirt under Southern homes.

I sold Southern forests for 25¢ an acre
to my New Englanders. I began

government control over communication
and transportation! *I took over
education!*

ME? A FRIEND OF NEGROES?

My Emancipation Proclamation did not even free slaves in the states in the Union or in 12 parishes General Butler held for me in Louisiana. It was just a political war measure to keep England & France from helping Dixie. It was hoped it would make slaves massacre white women & children & the South's men leave the battle fields & go home to protect their families, but it didn't - because the stupid Negroes would not do their part - said whites were friends.

Had I lived to control Reconstruction all Negroes would have left my nation!
(been sent to Africa or Panama!)

My Corwin Amendment

I Killed Southerners because they refused to sign-refused to ratify my Corwin Amendment.

Both Houses of Congress passed it.

My northern states were eager to ratify it. It would give

to the South if they would just stay in my Union, pay my Morrill tariff, and ratify

my Corwin 13th Amendment, *but*

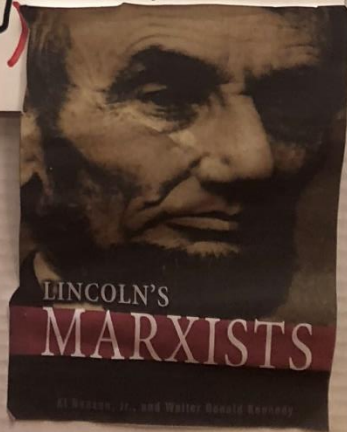

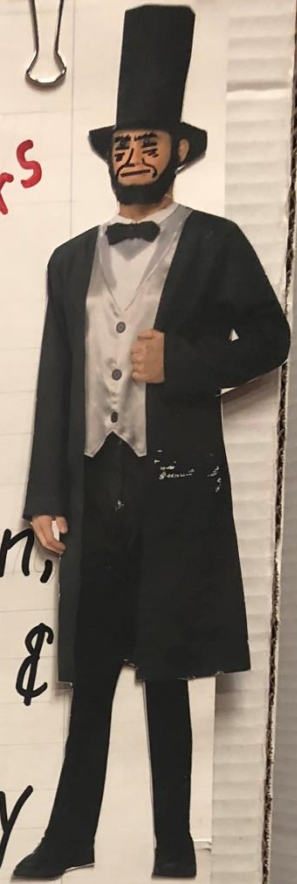

They said they were seceding not for slavery, but for freedom - for independence - because the

Declaration of Independence and the Constitution said they could.

First in the modern world
Genocide
My Congress voted Mine!
Holocaust
to torture prisoners

I let my soldiers rob, rape,
torture, burn & murder women,
babies, old folks, sick folks, blind &
handicapped ones. Sherman & my
boys nailed puppies on walls
as little Rebel kids cried. ^{we} poisoned
their water wells too! We said,
"That'll learn 'em, dern 'em."
Had we lost my war we and
my Republican leaders would
have been hung on many walls
(as War Criminals.)

I started my war at Sumter—

I Killed for my Morrill Tariff!

The South refused to pay it, because

it was to go up and up and up,

make the north richer and richer &

make the South poorer and poorer.

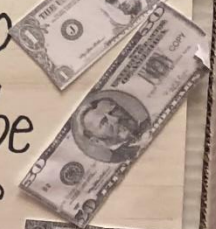

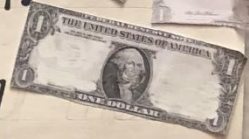

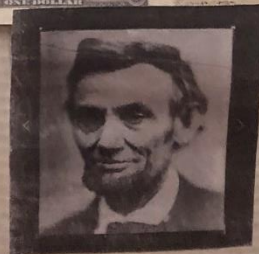

The South was already paying

nearly 90% of the US government's

expenses. It said, "No more, No

more, No more, no more! We'll be

the North's Moo Cow no more!"

In 1847 **When I was
US Representative**
Before I was a Republican
I addressed the people, I
said, "Any people anywhere being
inclined and having the power, have
the right to rise up and shake off
the existing government and form
a new one that suits them better.
This is a most valuable, a most
sacred right, a right which we
hope and believe will liberate the
world."

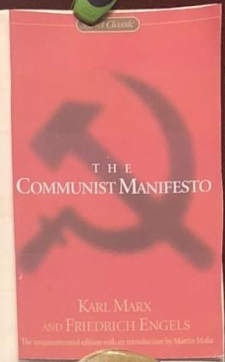

I changed my mind after
the Republicans made me
their President.

Nothing but the Truth!

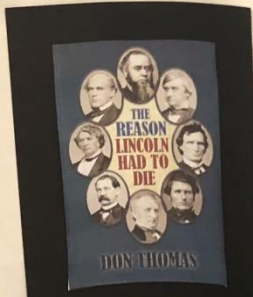

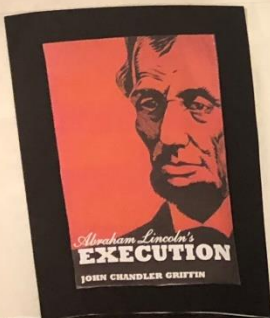

I did not make a war to
free slaves,
the South did not fight to
keep them.

I'm thrilled so many "idjets"
still believe my Communists'
propaganda and don't realize

I fought to make the South give
its riches to the north forever!
