

Welcome to Sam Davis Youth Camp!

July 14th – July 20th, 2019

It means a lot to our youth that you are coming out to serve as an adult staff member, counselor, jr. counselor or speaker.

All **OVERNIGHT** adult staff, counselors, jr. counselors, speakers and visitors (18 and older) are required to complete a Child Abuse Prevention Training course and undergo a Background Check.

This must be completed **before** there can be interaction with campers.

A. The Child Abuse Prevention Training course can be found online at:

<http://www.threemountainretreat.com/ChildAbusePreventionTrainingCourse.asp>

The course takes about 20 minutes to complete.

When you have completed the course, please print it out and present your certificate to the CAMP DIRECTOR when you arrive at camp.

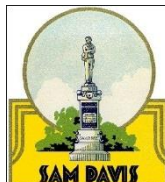

B. Please submit the following information for the Background Check to Bruce Cunningham, SDCYC Director **before July 1**, 2019 to staff@sdyc.org.

SDCYC ADULT COUNSELORS, SPEAKERS AND VISITORS

Thank you for your cooperation in helping us to meet these standards from the **Texas Department of State Health Services** to ensure the protection of our youth and guard the integrity of this very important program.

Sincerely,

Mark Brown
