

Candlelight Audition Information

To be eligible to perform in Candlelight on December 6th you must have: attended the recording session, attended the fall concert, paid your participation fee, filled out all paperwork from the candlelight packet (coming soon), and learned your part on the following pieces. You will receive a score for the first 8 songs listed and the top scores will be selected. **You will be scored on: Pitch accuracy, rhythmic precision, diction, intonation, and musicality.**

Visit the candlelight page on our website www.newsomechorus.net to see pdf's of the music as well as hear practice tracks with your voice part. We will spend a very small amount of time in class on these pieces, but the expectation is that you will do the majority of the work for this on your own. On the dates listed below you will be tested on your knowledge of your voice part **from memory**. Spending a little time each day will go a long way. I will be happy to help after school most days of the week, just let me know. If you are absent on the day of a part test, it is your responsibility to make up the test before school or after school (not during class time) either before your absence or right after you return.
