Dear Friends and Family of Cedar Falls United Church of Christ,

When we celebrate Easter, then we celebrate “New Life” and we celebrate God’s promises of new life both fulfilled and yet to come. Cedar Falls United Church of Christ is moving forward claiming new life. The Values we have in our church constitution, The Mission, and The Vision of the church are on separate sheets for us to affirm by signing. From this starting point we are going to build a plan of action for our church that we will also want to affirm and do. The time for action is now. Every single person can make a difference.

Lent has been a time of seeking God’s presence and paying particular attention to the ways God speaks to us in our lives. Hopefully this doesn’t end after Lent. Whether in our church community, or alone, on our bed in the quiet and stillness of night, we can listen for God’s voice, feel God’s presence abiding with us, sense God’s reassuring love and challenging call.

As a congregation we are listening for God’s call to us. What will be our witness to this community? How do we want to become known as a congregation to others who would like to join us in this ministry? “Speak encouraging words to one another. Build up hope so you’ll all be together in this.” (The Message 1 Thess. 5:11)

As a church it is clear that we are moving forward, but we need to do so intentionally. Our congregation is seeking to set goals and be intentional about addressing these goals. We will be dividing them up into goals we can accomplish this year or within two years time. This will give us an indication whether we can sustain full time ministry or

need to look at other options. We are not only needing to do strategic planning, but we also need to be implementing our action plan. It takes us all. We will hold a church wide event that gets every one’s input.

As a first step, we are asking all our members and friends to sign 3 separate documents to affirm and own that these statements are what each individual agrees with, affirms, or is committed to regarding what it means to be Cedar Falls United Church of Christ. The three separate documents are our Statement of Values, Our Vision statement and its meaning, and our Mission statement. A smaller strategic planning group needs to know if we all are on the same page. From there we will launch more specific plans and goals.

In order to move forward together we will be as clear and transparent as we can. We are in this together. It is my hope we can have a small group do some initial planning and time frame for their implementation. This we would bring to the congregation and hopefully have enough congregational buy in to achieve those goals. We are disciples of Christ seeking to live out our faith in clear ways in this community that invites others into our community of faith.

Our focus will be on living out our faith in meaningful and inviting ways that we may grow inwardly and as a congregation.

God bless you! God is awesome! God loves you! In Christ we serve,  
Pastor Sue  
FULLY RELY ON GOD!
